NEOUS MATTER.

NO. I.

This is not the complete directory referred to above, but is a pamphlet distributed *free* for the benefit of the advertisers therein.

PREFACE.

The publisher submits the first volume of the **LOWELL SUBURBAN DIRECTORY**, comprising the towns of Billerica, Chelmsford, Dracut, Tewksbury, Tyngsborough and Westford, to its patrons and the public, with a feeling of gratification at the liberal support awarded the work. A complete general and business directory of each place is given, together with a list of the streets, town officers, churches, societies, associations, etc. A business directory of the patrons in Lowell and other places is also given. Diagrams of the principal halls and theatres in Lowell and Boston are also inserted, and the same will be invaluable for reference to persons desiring to select seats for entertainments to be held at either place. A special feature of this publication and one that will be valued highly by the business concerns of Lowell and vicinity, is the complete list of farmers contained in the business directory of each town.

For the benefit of the advertisers, a pamphlet directory has been distributed *free* to the residents of each town, and, with the sale of the regular edition, it ensures a large circulation at business places and at residences. A good directory is a recognized necessity for small towns, as well as large towns and cities, not only for present reference and information, but for preserving in compact form the names and business concerns of each place, so as to furnish in future years for historic, geneological and other purposes, a complete guide to the industries, occupations and names of former residents.

The price of the combined directory for the six towns, handsomely bound in board covers, is two dollars, and the book can be obtained by forwarding that sum to the publisher,

HENRY M. MEEK, No. 81 Essex Street, *Salem, Mass.*

Good Taste ==

In dress secures a cordial recognition for those who show it. No man can tell how much injury a shabby appearance may do him. Always look well dressed. That's business. We're prepared to do business with men of taste, and for their benefit are offering a line of fine Foreign and Domestic Woolens at astonishingly low figures. The value in our garments is too visible to escape notice. We fit to a nicety. We have an exceptionally nice assortment of goods for good dressers. Just the style the "like-to-be-well-dressed" young men want.

P. O. BOX 580, - LOWELL, MASS.

A Few of the Many Testimonials:

LOWELL, Mass., May 6th, 1882.

E. A. THISSELL, ESQ.,

DEAR SIR:—I have used both the Thissellsia and Poland Spring Waters, in large quantities, and in my opinion the Thissellsia Spring is equal to the Poland.

Very respectfully,

E. W. HALL,

LOWELL, Mass., May 18, 1883.

E. A. THISSELL, ESQ.,

DEAR SIR:—I have used the Thissellsia Spring Water nearly three years for lame back and kidneys. I began to improve in health soon after I commenced the use of the water, and am now much better than at any time for the past six years.

Very respectfully,

S. C. PATRICK.

LOWELL, Mass., June 8, 1883.

E. A. THISSELL, ESQ.,

DEAR SIR:—I have used the Thissellsia Spring Water for nearly three years, and find it very beneficial for kidney complaint and the best table water I ever used. Can cheerfully recommend it to others.

Very respectfully,

C. C. PICKERING.

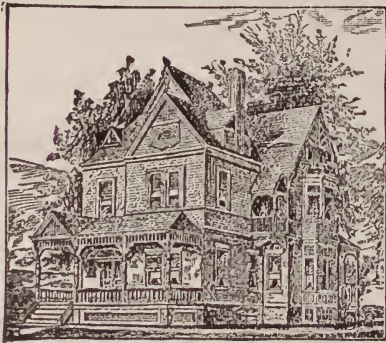

LOWELL, July 20, 1883.

E. A. THISSELL, ESQ.,

DEAR SIR:—For several years I have prescribed the Thissellsia Spring Water in my practice, and always with good results. I have found it of great service in typhoid fever and in kidney and bladder diseases, of great value. I consider it in every way equal to the Poland Spring Water.

Very truly yours,

LEONARD HUNTRESS, M. D.
