# City Directory Dont's

**DON'T** put your Directory in an out-of-the-way place, but keep it where your customers can see and use it without stopping someone to find it.

\* \* \*

**DON'T** think that a Directory is paying for itself unless you use it, any more than an idle clerk can make you money.

\* \* \*

**DON'T** look mad when a customer asks to look at your Directory.

\* \* \*

**DON'T** look happy when a neighbor wants to borrow your Directory, for if you do, he will borrow it again, and if all were borrowers, when would the next Directory be published?

\* \* \*

**DON'T** forget that an up-to-date city must have a Directory; and a merchant that has no Directory is what?

\* \* \*

**DON'T** forget that a Directory borrower today will forget to return it tomorrow and you will call him what?

\* \* \*

**DON'T** forget that the man who has a Directory pays for it and the borrower gets for nothing what another man pays for.
