THE LION

Chelmsford High School

CHELMSFORD

MASSACHUSETTS

Foreword

The time draws near when we, the Seniors of 1962, having studied together, laughed together, and grown up together, are to separate, each to go his own way, perhaps never to meet again.

As graphic reminders for all of us, regardless of the vicissitudes of life, we have gathered highlights — pictorial and editorial — which will bring memories of “the good old days at Chelmsford High” rushing back to us from every page of
our yearbook,

THE LION OF 1962.

COURAGE to understand
Resolution to face
Our everyday life
In its fast changing pace.

HONOR in all we do,
Integrity our stay,
Worthy guide through the years
Wherever classmates stray.

STRENGTH to face the issues,
Power to say no,
A vigor that will conquer
No matter who the foe.

Courage, Honor, Strength
Arms to win the strife
Trinity of power
Sufficing us through life.

Dedication To...

George Simonian

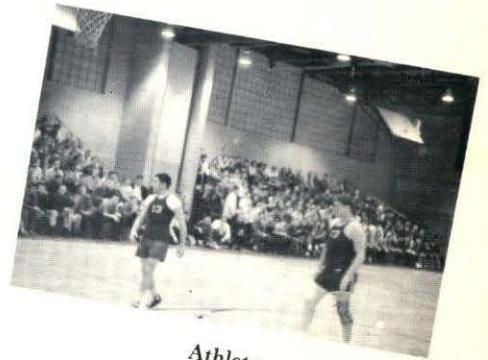

We in the class of '62
Do hereby dedicate our yearbook to you.
 A man we shall always remember.
Our school days may be at an end,
But no one ranks higher as teacher or friend.
 A man we shall always remember.
Our appreciation and gratitude you have won,
The credit for this you modestly shun.
 A man we shall always remember.

RUTH ANN BILL

April 21, 1944 — March 19, 1959

I cannot say, and I will not say
That she is dead. She is just away!
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,

And left us dreaming how very fair
It needs must be, since she lingers there.
And you—oh you, who the wildest yearn
For the old-time step and the glad return,

Think of her faring on, as dear
In the love of There as the love of Here;
Think of her still as the same, I say:
She is not dead—she is just away.

Realizing that greatly increased enrollment has made it difficult to give to our yearbook the personal touch so much desired, and hoping *The Lion* may recall to grads and undergrads alike the many meaningful relationships we have made here, we present

To the seniors: a picture of every member of the class, a memory and a forecast for each, the activities and — 'lest we forget at reunion time — the address of everyone;

To the student body: pictures of every homeroom, lists of classmates and pictures of class officers;

To the seniors and the student body: pictures of the administrative staff and the faculty; pictures and write ups of the clubs, teams, plays, concerts, and shows; and a little bit of humor in the candid and the will; and

To all: a kaleidoscope of life at C.H.S. in 1961-1962.

Press Club 4; Dramatic Club 1, 2; Glee Club 1, 2, 3; Talent Show 1, 2, 4; "Kathy" — an example of perpetual motion — ideas are plentiful — ever "a-roamin' in the gloamin'" of the halls — last one in homeroom at 8 o'clock — May success be with you!

CYNTHIA JANE WATSON

Cheerleader 3, Co-captain 4; Basketball J. V. 2; Dramatic Club 1, 2; Talent Show 3; A. A. Member 1, 2. "Cindy" — captain of the cheerleaders who shouts up a storm — "Give us a 'C'" — "All right, girls, get in line" — gets herself in line in her studies — a cheer for Cindy's future, "Rah".

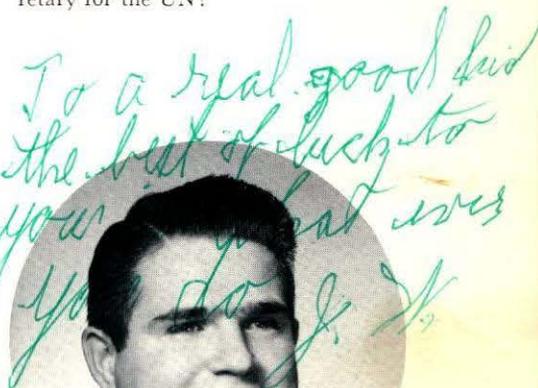

CLAUDIA ANN WHEALEN

Dramatic Club 1, 2; Glee Club 1, 2, 3, 4; Talent Show 2, 3, 4; Northeastern Music Festival 2, 3, 4; Twirlers 2, 3, Captain 4; Dance Committee 2. Petite — vivacious — activities and interests galore — sparks the annual talent show with her beautiful voice — capable captain, of the twirlers — many talents assure success.

PATRICIA MAUREEN WALLACE

Junior Red Cross 1, 2, 3, 4. "Pat" — in her quiet way, a good friend — Maria's companion — always ready with a good question — a lady under all circumstances — secretary for the UN?

JAMES WILLARD WELLINGTON

Football 1, 2, 3; Glee Club 1; Talent Show 2. "Jim" — toots the tuba in the band — likes mechanics — tinkers with his '48 Plymouth — sports devotee — will learn to be chef at Fannie Farmer's.

JOHN WESLEY WILDER

National Honor Society 3, 4; Math Club 4; Graduation and Reception Usher 3; Northeastern Music Festival 1, 2, 3; Open House Usher 3; A. A. Representative 1, 2; Band 1, 2, 3; Banquet Committee 4.
"Uh, what's the answer, Mr. Hicks?" — cherishes a '52 Ford — keeps regular hours at Alpine — a Baptist Pond yachtsman — future civil engineer.

BRUCE DOUGLAS WILSON

Science Club 2, 3, 4; Science Fair 2, 3, 4; Math Club 3, 4.
One of Mr. Plummer's artists — prefers out-of-town gals — never misses a football game — can always be found at Priest's in Groton — future architect.

CHERYLYN RACHEL WINSHIP

National Honor Society 3, 4; National Honor Society Usher 2; Dramatic Club 2, 3, 4; Graduation and Reception Usher 3; A. A. Member 3; Intramural Sports 3; Newspaper Art Editor 3, 4; School Play 3, 4; Open House Usher 4; Talent Show 4; Office Girl 4.
Aspiring artist — prolific poetess — delights in taunting Donna and Donna — longs for an ocean voyage — future in commercial art.

WILLIAM THOMAS DONOVAN

Revere High School
"Bill" — white collar worker — only his quiet side seen — a new face in C. H. S. — aspires to be an aeronautical technician — East Coast Aero Technical School in the fall.

SPORTS

Athletic Association

The Athletic Association plays an important part in the sports program at Chelmsford High School. At the beginning of the season the A. A. gives every student an opportunity to become a part of sports by buying season tickets to home football and basketball games. In this way the student body underwrites sports and everyone becomes an integral part of all sports.

The representatives who carried the program to the home rooms this year were chosen by a faculty committee from volunteers willing to do the ticket selling. Our thanks go to these students who have helped spread school spirit and fostered interest in sports.

The following students have been selected as **Athletic Association Representative** for the 1961-1962 school year:

Cheerleaders

The Cheerleaders in their maroon and white
 Yelled to the boys, "Come on, let's fight!"
 This cry was heard throughout the season,
 And therefore you can see the reason
 For our victories.

Miss Kealy, Merrie, and Cindy, too,
 Directed the girls all the year through.
 To spur the boys on from the start
 The Pep Club also did their part
 To help the Cheerleaders.

In football and basketball we did our best,
 To spark the games with a little zest.
 With acrobatic and cheers so many,
 We became the best of any
 Other squad around.

In football we realized we had a great team,
 And the basketball squad was on the beam.
 We fought to the end and received great acclaim;
 The Boston Garden would be the fame
 Of the squads of C.H.S.

And down through the years those wonderful times
 Will always be kept fresh in our minds.
 Souvenirs will remind us of our good ways,
 And we'll never forget those fabulous days

Football

The 1961 Chelmsford High School football team has maintained Chelmsford's good football record and completed another successful season under the capable leadership of Co-captains Fred Lytle and Ed Tandus. Under the expert guidance of Coach Thomas Eck, assisted by Mr. George N. Klesaris, Mr. John Allen, and Mr. Henry P. McCarthy, the Lions completed a record of six wins, two losses and one tie.

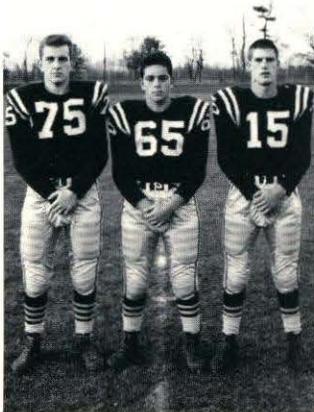

After a sluggish start against an underrated Tewksbury eleven, the Lions awoke and began to play a more spirited type of ball. This was exemplified in the next game, for they defeated an always stubborn Ipswich team. In the Lions next encounter, they were defeated by Dracut in a well-played game. Chelmsford then went on to win over Burlington, Canton, Methuen, North Andover, and to tie Wilmington. In the latter contest, the Lions went in as decided underdogs but showed their poise by pulling out an 18-18 tie. This marked the only blemish on Wilmington's record.

The outstanding event of Chelmsford High's football year is the annual Turkey Day classic against Billerica; this year held at Billerica. The game was played under adverse conditions due to snow that had fallen a few days before, making the field treacherous. Despite this, the Lions stymied the Billerica attack and went on to gain a sounding defeat of the long-time rivals. This was shown by the measure of the 41-6 score registered on the scoreboard. This was certainly a good way to end a successful season under Chelmsford's new head coach, Mr. Thomas Eck.

The Junior Varsity eleven under the direction of coaches Klesaris and Allen have built up high hopes for future success in achieving a fine record. Good luck to next year's co-captains, Artie House and Jeff Hazeltine.

Field Hockey

The '61 Field Hockey team, under the watchful eyes of Coach Nancy Edwardsen assisted by Miss Nancy Dean, compiled a creditable record of three wins, three ties, and three losses. Enthusiastically led by Co-captains Hilde Roymans and Joanne Hedrick, the girls exhibited skill, good sportsmanship, and a genuine love for the game. Anne Caster, Kathy Craig, Sandra Dudevoir, and Gail Farrington were offensive players with Connie Cullen, Cynthia Hoyt, and Martha Lovering as defense.

With their success the team wishes to express appreciation to Mrs. Edwardsen for her ability to teach them the fundamentals of the game and for her patience in developing their necessary skills and techniques.

Good luck to next year's team under their new Co-captains Barbara Montbleau and Sheila Welch. We are sure they will have a very successful season.

The J. V.'s also had a very impressive season with five wins, one tie, and three losses.

Softball

Since the yearbook went to press before the '62 softball team was organized, we can give no results for the '62 season. We are sure that this year's team, under the fine coaching of Miss Nancy Dean and Miss Hilaria Hartley, newcomers to our athletic program, will continue their winning streak of three consecutive years.

We wish the best of luck to the team and their coaches.

Boys Basketball

Although now a matter of record, the 1961-1962 Chelmsford High School basketball season captained by Brad Perham and coached by Mr. Henry P. McCarthy, will be hard to forget.

Remember the second game of the season against Lexington? Before this game, many people were wondering how the Lions would meet the challenge of this big, highly-regarded ball club. To the surprise of many fans, the Lions broke this game wide open right at the outset and went on to win by eighteen points. The winning of this game seemed to be the key to a most successful season, although Lexington did get its revenge by nipping the Lions by two points in the final regular season contest. Other big wins during the season came over North Andover High, an arch rival through the years, and over our old nemesis, Dracut High.

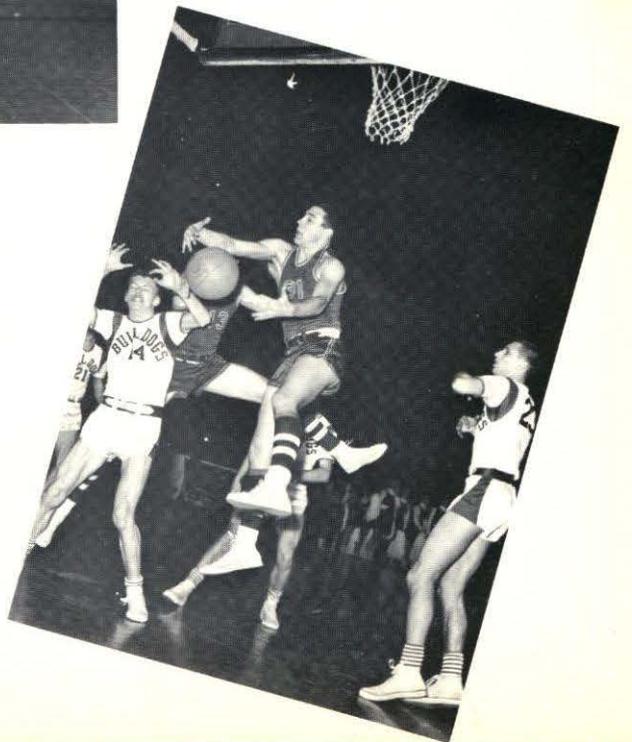

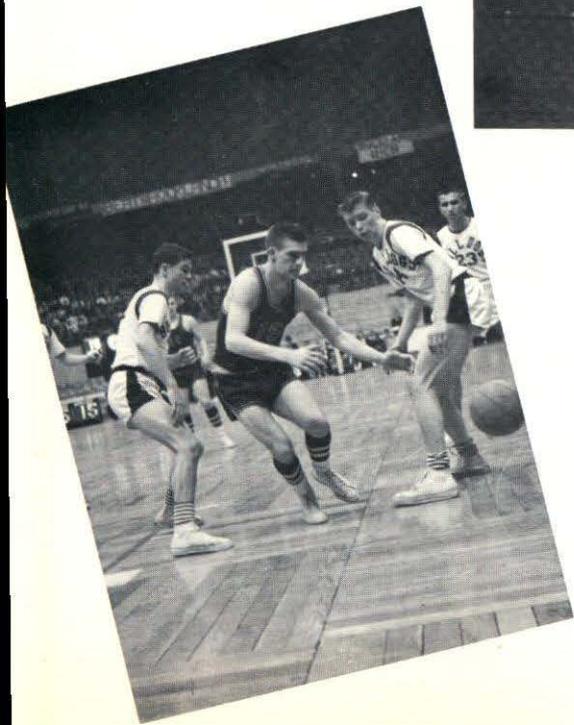

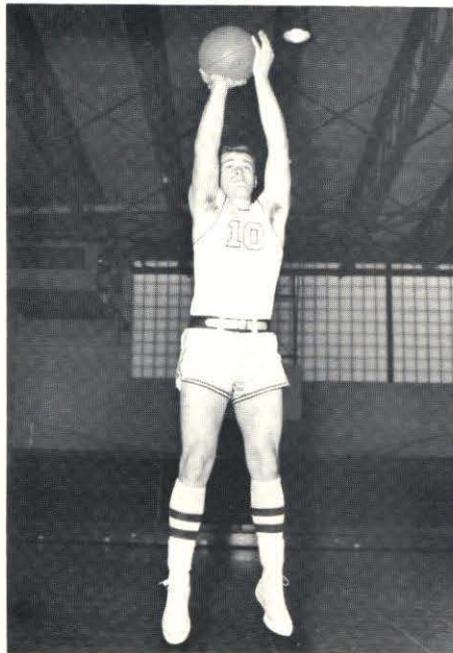

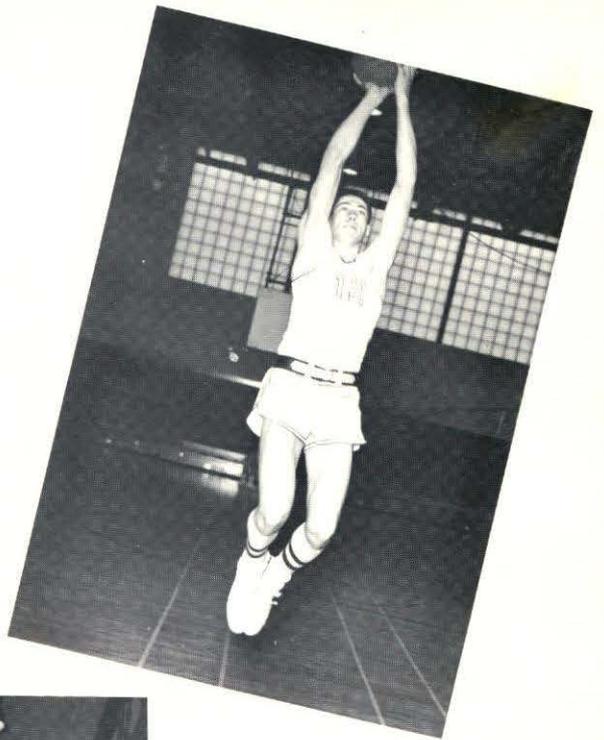

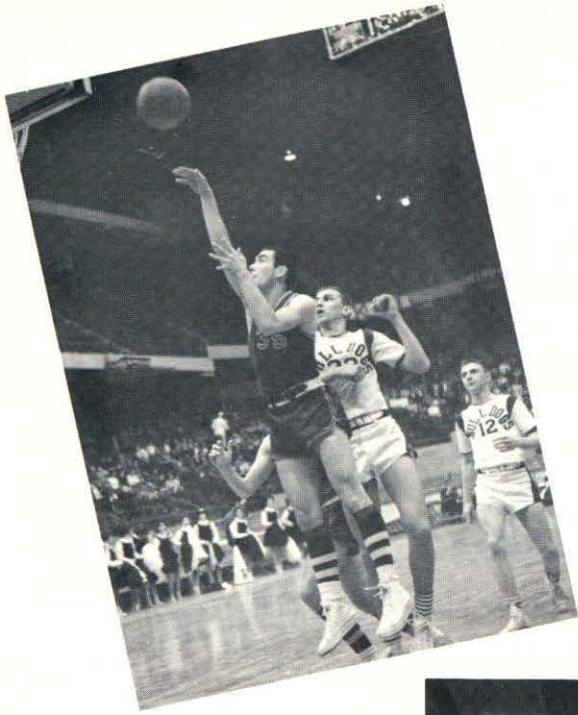

When the boys had played their last scheduled game, the Chelmsford hoopmen were once again Lowell Suburban Champions — an habitual honor now for Chelmsford as this is the third year in succession that the trophy has been placed in our trophy case.

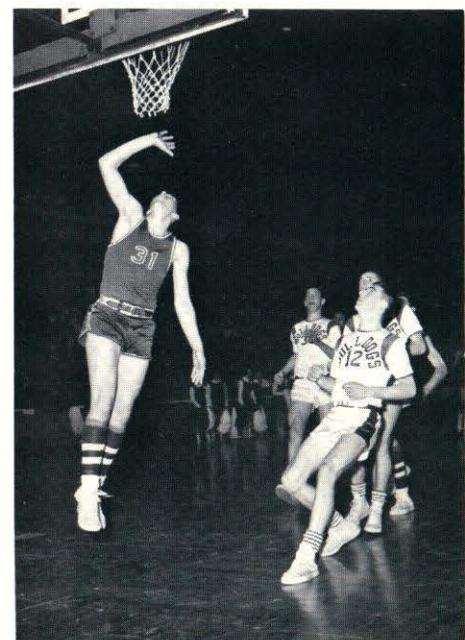

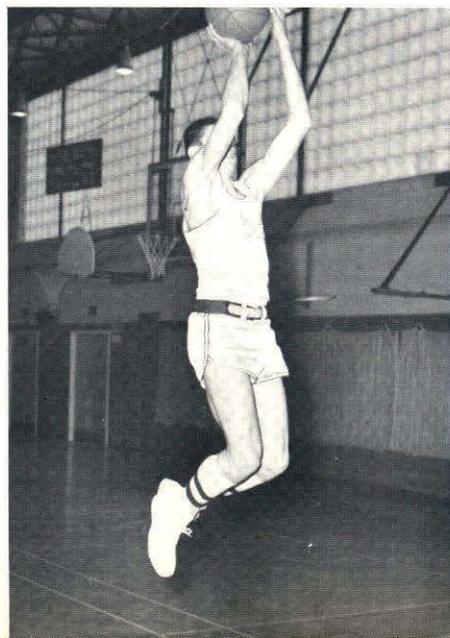

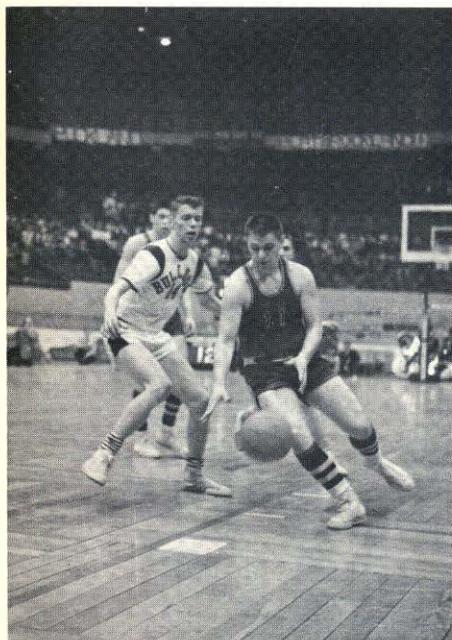

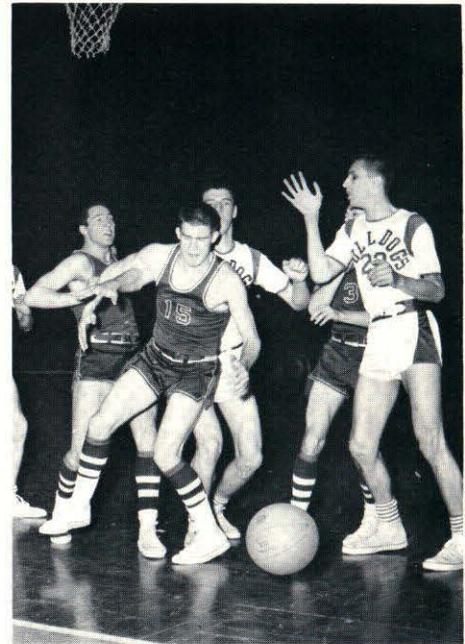

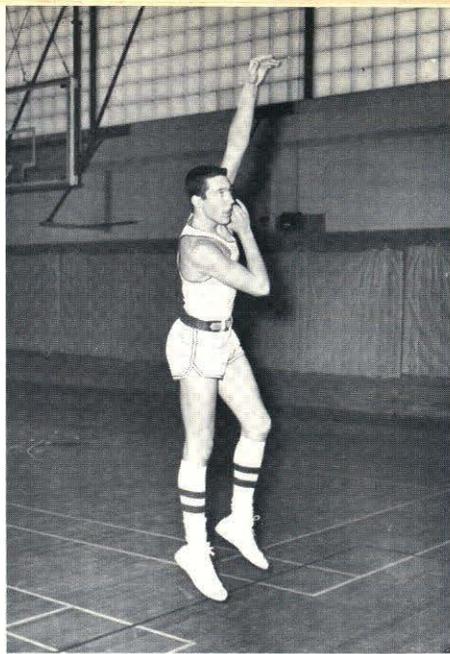

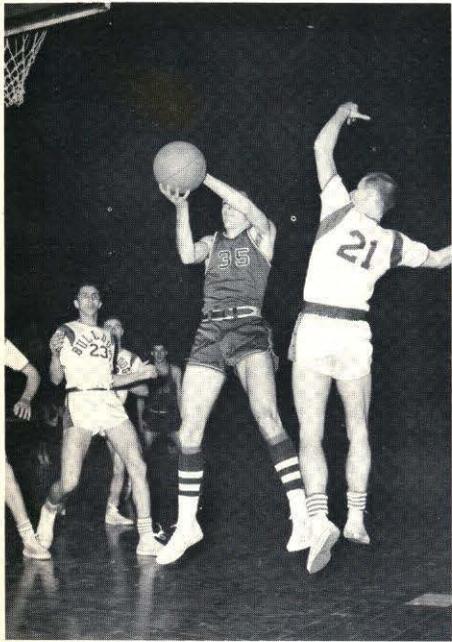

Because of the outstanding record posted by this year's team, the Chelmsford High School Club qualified for Class C in the Tech Tourney. Chelmsford, awarded a first round bye advanced to the quarter finals at Natick, where they played a stubborn Middleboro team. Tied at the end of regular play, the Lions managed to outscore their opponents and win on the last-second basket by Fred Lytle. By virtue of this win the Lions advanced into the semi-finals held at Boston Garden. Here the Lions defeated Rockland High by a large score. In the finals of this famous Eastern Massachusetts Tourney, Chelmsford confronted a cat-like Plymouth team. The Lions started off at a fast pace but ended on the short end of the score, but win or lose, playing in the finals at the Boston Garden was a wonderful experience for Chelmsford — one long to be remembered by players and fans alike.

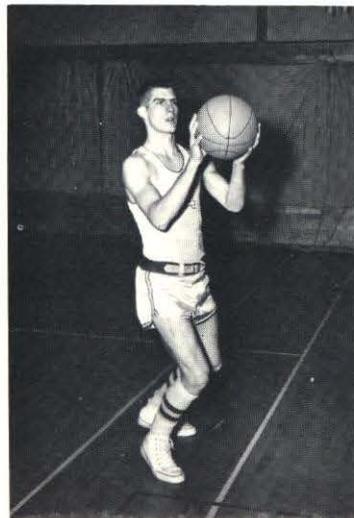

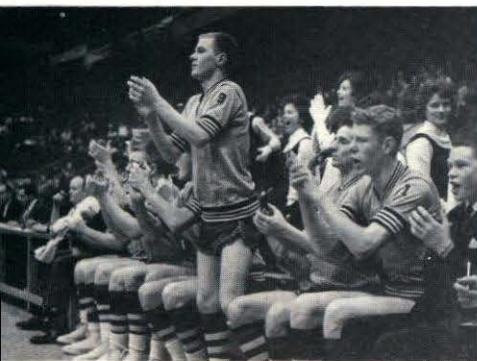

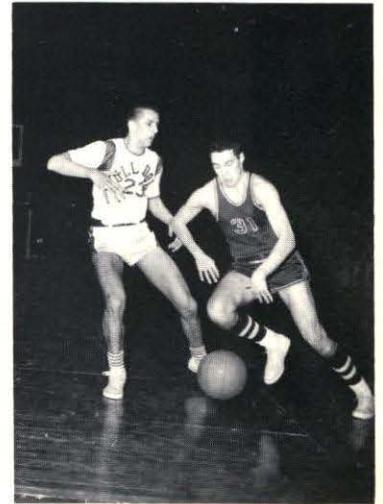

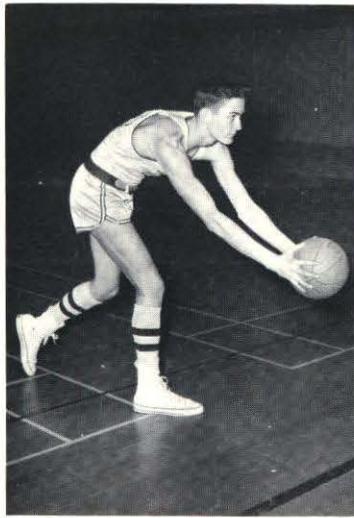

The success of this past season rests upon two factors — the team spirit of the boys developed under the leadership of Brad Perham, and the team skill and know-how produced by the coaching of Mr. Henry P. McCarthy, ably assisted by Mr. David McPhelim.

Girls Basketball

Under the spirited leadership of Co-captains Martha Dupee and Cynthia Hoyt and the able coaching of Mrs. Nancy Edwardsen, the girls' basketball team completed a highly successful season. Although not always on the winning side, the girls never quit nor gave up for a single moment with many games won or lost in the last few minutes of play. After getting off to a slow start in league competition, the team gained momentum and made a fine comeback finishing third in league play.

Gail Garthe, Hilde Roymans, and Martha Dupee were the outstanding scorers, while Cynthia Hoyt, Betty Halbert, and Joanne Hedrick were a fine combination for defense.

The team expresses its sincerest appreciation to all who helped them in any way during the '62 season. They particularly thank their coach, Mrs. Nancy Edwardsen, for her time, humor, and understanding.

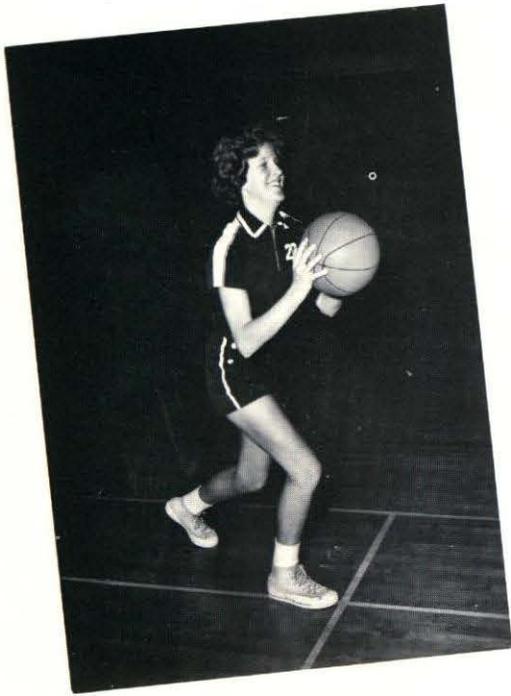

Best of luck to next year's team under the leadership of Co-Captains-Elect Betty Halbert and Cynthia Picken.

The J. V.'s, under the expert guidance of Miss Anna Kochanek, also had a very notable season. Carol Enis, Janet Coffin, and Pamela House were the starting forwards, with Mary DeAngelis, Alice Long, and Faith Woodward as guards. They completed a record of 12 wins, and 6 losses.

Baseball

The 1961 Baseball team, coached by Mr. Joseph P. Nolan and Mr. Charles Vars, completed a season worthy of commendation. Co-captains Franklin Thiffault and James Cutrumbes led the team and played the outfield along with Mike Pigeon. The infield was composed of Tom Mason at third, Pete Burliss at second, Gene Tellier at first base and Howie Neild at shortstop. Brad Perham pitching and Fred Lytle catching made up the battery.

This line-up was ably supported by Jim Doyle, Pete Ricciardi, Bobby Sharn, Tom Long, Wayne Koch, Bill Lussier, Chip Morgan and George Dixon.

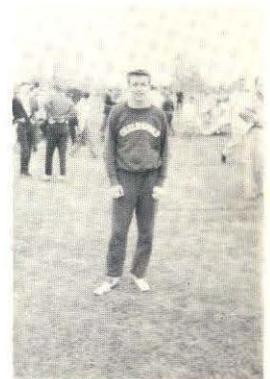

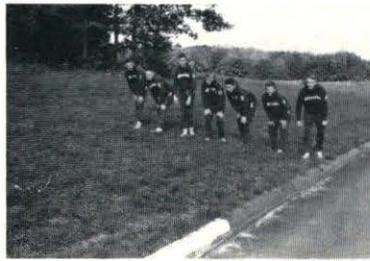

At press time the 1962 season is just beginning. Spring practice has been called by Head Coach David McPhelim and Asst. Coach Charles Vars. Co-captains Gene Tellier and Jim Doyle are helping to line up a successful season.

Good Luck

The Chelmsford High School Track Team found their 1961 season a most admirable one. Under the leadership of Captain Norris O'Brien and the direction of Coach John McGuire the team completed an undefeated season, a remarkable record for a unit initiated only a year before.

The track team maintained its championship rating by taking first place in the Suburban Meet and ended the season by finishing eleventh in the State Meet.

Members of the team established individual records also. Carl Olsson set records in the 100 and 200 yard dashes; Hank Brown established a new high jump record.

Track under the direction of Coach John McGuire is fast becoming a major interest at C.H.S. and another sport to proclaim Chelmsford's fame.

Cross Country

The Cross Country team, captained by Norris O'Brien and coached by Mr. John P. McGuire, has completed another season of which they can be proud. The record of the team was marred only by a single defeat, that being to Billerica.

The harriers finished second in the Suburban League Meet at Dracut and tied for a respectable seventh place at the State Meet with Jim O'Shaughnessy placing in the top ten for individual honors.

Under the capable direction of Coach McGuire the squad has shown a vast improvement and should, next year, be a strong contender for the Suburban title, since only one member of the varsity squad will be lost through graduation.

ADVISOR: GEORGE BETSES

The Student Council of Chelmsford High School has completed another successful year under the outstanding leadership of President Paul Shagoury and the able advisorship of Mr. George J. Betses.

Among the many undertakings of the Student Council have been the annual sale of refreshments at all the home football games, the adopting of a needy family at Christmas, and the sponsoring of sports awards given at Sports Night. This year's Talent Show, under the direction of Mr. Rodney D. Jennings and Mr. Malcolm Hamilton, was a different and a most enjoyable affair with its "Memories," "Broadway Motif," and wonderful talent. Some of Student Council's members journeyed again this year to radio station WOTW to voice their opinions on matters of current interest and to spread the fame of C.H.S.

A few of Student Council's new undertakings have been the incorporation of a general fund supported by all classes for the remembering of those who are ill or bereaved, the distribution of sports schedules to students, and the provision of milk and cookies for the girls' softball team. For the first time this year, seniors who had served on Student Council were given standard pins denoting the office held or the number of years of service. Seniors who have received these pins are Paul Shagoury, Sally French, Hilde Roymans, Alan Burne, Richard Harris, Paul Pierce, Martha Dupee, Donna Snook, Alfred Lytle, and Judith Flanagan.

An outstanding project of Student Council was the support of Mary Ellen Goodwill in her candidacy for National Delegate of Eastern Massachusetts to the Student Council National Convention in San Francisco. All the members were right behind her when she gave her winning speech at the Burlington convention, and everyone proudly wore his "Goodwill badge" and talked up a storm about Mary Ellen.

The Chelmsford High School Student Council, throughout the year has done a great deal to achieve the betterment of Chelmsford High School and its student body. It deserves the heartiest of congratulations for work well done.

Scholarship, character, leadership, and service — these are the qualities for which the members of the National Honor Society are chosen and to which they look for inspiration as they carry on the program of the society. These attributes make our National Honor Society, in conjunction with others all over the country, a most important element in encouraging and developing young people capable of meeting the complexities of life.

In scholarship, our members have maintained and improved their high standing, and have made creditable scores on College Boards and other standard tests. The Society is proud that one member is a National Merit Scholarship finalist.

In leadership, our members have held the presidencies of the Senior Class, the Student Council, the Dramatics Club, and the Speech Club; they have occupied important positions in the Math League, Science Club, and the Radio Club, and on the Yearbook staff.

In character, the D.A.R. representative, chosen by the students and faculty for outstanding qualities came from among this membership. Also Chelmsford's Good Government delegate and several of the Boys' State representatives of 1961 were National Honor Society members.

In service, the members have maintained a milk machine, have acted as ushers at Open House for both senior and junior high and at graduation in 1961, and have offered their assistance anywhere needed.

On March 27, the National Honor Society were hosts to representatives of National Honor Societies from neighboring towns. At this conference problems of mutual interest to Honor societies were discussed.

The National Honor Society is extremely grateful to Miss F. Christine Booth for her devotion to our society.

The Chelmsford Debaters had a very challenging resolution for debate again this year. The national topic was: Resolved — that the federal government should equalize educational opportunities by means of grants to the states for public elementary and secondary education. As debate topics go, this particular one seemed to have a very special appeal to high school debaters.

As in previous years, the Chelmsford teams had a rather successful season. The tournaments in which Chelmsford won first place honors included Lynnfield, Fitchburg, and the Massachusetts Speech Association tournament which saw Chelmsford the champions of the northeastern division. From this contest the teams went on to the State Semi-Finals held at Shrewsbury. In this tournament Chelmsford debaters defeated teams from Sharon, New Bedford, and North Quincy, which incidently was not exactly an easy task. The combined efforts of the group this year exceeds one hundred debates in the various forms of debate competition. This year's teams won best or high honors in all tournaments in which they participated.

During the course of these contests Scott Adams won honors for the affirmative by winning coveted best speaker awards as second speaker. He was assisted in his efforts by Kathy Tevlin, as first speaker, who more than upheld her share of the burden of proof as an affirmative speaker. The negative team won an equal number of these elusive awards with Dick Lafrance and Doug Lawson sharing the honors.

Dramatic Club

Mindful of great success in the production of Julius Caesar last year, and desirous of further triumph in a serious modern drama, the Dramatics Club encouraged by their adviser Miss Martha Kinneen, chose as their 1962 project, *The Diary of Ann Frank*.

After the cast had been chosen and rehearsals had begun the stage crews and the prop men began their work.

The stage crew, under Mr. Malcolm Hamilton's direction, built a most ingenious and effective background for the action; they devised a set which took many hours of labor to develop its rooms at four levels, its rafters, roofs, and cubbyhole entrance.

Once again the prop men "went-a-searchin' for a little bit of everything": a cat, a bed, a sink, an ashtray, blankets, even a picture of Queen Wilhemina. Members and friends having had "their arms twisted" brought in other needed items: Tom, a war map of Europe; Danny a kettle; Dana, a wooden spoon; Joyce, a milking stool; John, a sheet; Donna, a dead plant. Even the faculty was drawn into the act; Miss Lunt contributed her dining room table; Miss Carsley, her lamp; Mr. Hamilton, his living room sofa; Miss Kinneen, her stove; and Mrs. Hershberg, her Menorah.

The tremendous set, the effective and accurate props, the alert helpers behind the scenes, and above all the inspired and sensitive performances of all the members of the cast made *The Diary of Ann Frank* a Dramatics Club production long to be remembered.

To round out their experience in the theater, members of the Dramatics Club went to Boston to see *West Side Story*, the famous musical dealing with youthful conflicts in the big city of today, and *Romeo and Juliet* an old Vic Company of England's production of youthful conflicts in the days of Shakespeare. Both were rewarding in every way.

The Dramatics Club expresses sincere thanks to Miss Martha F. Kinneen for her devotion to the best in drama, her willingness to give unsparingly of her time and effort, her inspiration in the interpretation and characterization of our production, and her understanding of us as struggling thespians.

Lions Roar

The Lion's Roar was established last year as our school newspaper featuring current happenings in the school, but this year it has changed its format and become a literary magazine. Original stories, poems, art work, and any creative literary work done by the Chelmsford High Students is published in the *Lion's Roar*. We take pride in the fact that not only is all the writing done by the students but also the printing of the *Lion's Roar* is done by the Offset Printing class under the able direction of Mr. Robert Andrews.

The development of our *Lion's Roar*, a four-page newspaper to a full fledged illustrated literary magazine, has been due to the interested and expert guidance of Miss Elizabeth Lunt.

"The President is discussing the common market on TV at noon. Call a lamplighter."

"We need the 'mike' for our debate. Where's that lamplighter!"

So it goes. All through the day lamplighters are busily trundling their audio-visual aids about the halls. Here, our V.A. man leaves a tape recorder or a baloptican; there, a movie projector or a hi-fi. He delivers sets up, and if necessary runs or repairs equipment.

Lamplighters, under the qualified direction of Mr. Paul Hoar, are trained not only to operate, maintain, and repair equipment, but also to order and return films and to schedule the proper machines and operators for their use.

In the Visual Aids room, a file with catalogues of films is kept up to date by lamplighters. Any teacher in any subject may procure from these sources additional material to aid, stimulate, and extend learning. The lamplighters perform a most useful function at Chelmsford High School.

Radio Club

Chelmsford High Amateur Radio Club has had another very successful year. Our school now has its own amateur radio station with call letters, KIUGF. Through the cooperative support of the school department, which supplied the antenna, and of the members who brought in the radio equipment the club now has a very fine station. In the short time the station has been set up, the boys have talked to many fellow amateurs both in the United States and abroad.

An outstanding event of the year was a radio auction in which most members participated. Electronic equipment was auctioned, refreshments were sold, and prizes were awarded. The auction proved to be such a huge financial success that plans are under way for next year's auction.

Under the competent direction of Mr. Paul Murphy, the club has made excellent progress this year, and the members look forward to bigger and better achievements next year.

Science Club

Since the primary purpose of the Science Club is the stimulation of interest in science and the development of individual scientific research, the only requirement for membership in the Science Club is the production of a project to be exhibited at the Science Fair held each year at the high school.

Sound easy? Then look in on the members at the beginning of the year trying to choose themes for their projects. Of course, a few science hobbyists have an idea already and can start to work immediately. For most, however, this is a period of browsing through lists of possible subjects, sampling ideas, and searching in fields of interest before a suitable topic is found. After a subject is chosen there follows a long period of study and experimentation culminating in the finished product presented at the fair.

This year's display of projects, held March 30, 1962, displayed the great variety of interests of the members — astronomy, biology, chemistry, electronics, geology, and physics. The five best projects were entered in Technorama VI at Lowell Technological Institute.

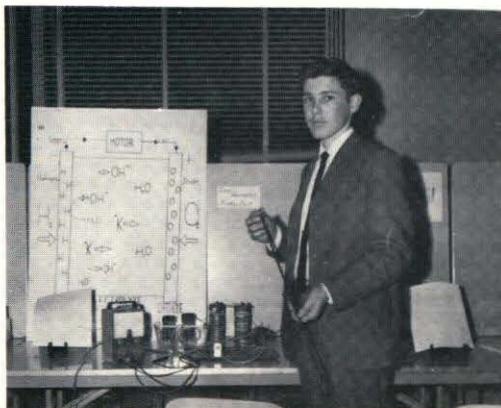

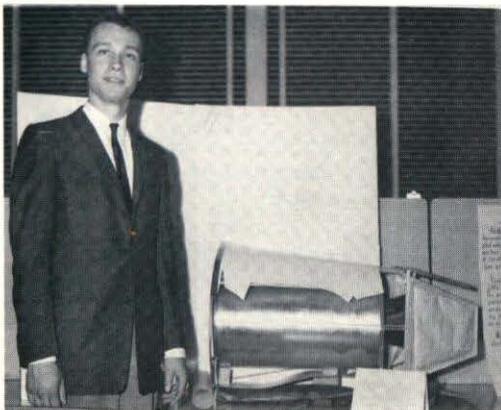

The club met every Friday, usually to see a movie that would increase knowledge in some scientific field and to discuss the Science Fair.

The thanks of all members go to Mr. George Simonian without whose helpful, friendly guidance and sincere interest, the Fair — the whole year in fact — could not have been so successful.

Press Club

One of the most important, but most inconspicuous clubs at Chelmsford High School is the Press Club. Under the direction of Miss Evelyn Wexler, the Press Club acts as an effective medium in transmitting the important events of Chelmsford High School to the community. Each week write-ups of interesting activities are sent to the Lowell Sun and the Chelmsford Newsweekly. In this way the town is given a chance to learn of the activities of the faculty and of the student body.

The Press Club gives to its members an opportunity to express themselves in a clear and concise manner and to act as a useful public relations unit.

Girls' Glee Club

The Girls' Glee Club, an active musical group at Chelmsford High School for many years, has contributed much to the expansion of the music program at Chelmsford High School. The members of the club, furnishing colorful, musical background, or active choral support for the various numbers at the Talent Show, were instrumental in making that show such a box office success this year. As usual, the Glee Club entertained the High School P. T. A. and contributed much to school programs at Thanksgiving, Christmas, and Memorial Day.

With the Varsity Choir, the Glee Club joined forces to present the Spring Musical, *The Boy Friend*. All enjoyed their opportunity to work with such a proven and expansive show, and to contribute to another musical success.

From the group, Barbara Mores was chosen as its Vocal Music Guild delegate. Adrith Pihl contributed to the Glee Club's accomplishments as she capably accompanied the members whether they were singing "Somewhere", "Lovely Things," "One God", or "The Inchworm".

The successful completion of the year 1962 by the Glee Club can be attributed to the enthusiasm of Mr. R. D. Jennings, who, through his direction, makes singing a joy to all of the members of the club.

Varsity Choir

The Varsity Choir of Chelmsford High School, a new musical unit having a membership of forty, is a select mixed choral group.

The activities of the choir have been many: appearing in the 1961 Talent Show, participating jointly with the band in Christmas caroling, and making special appearances before the High School P. T. A. and the Chelmsford Teachers Organization.

The biggest musical adventure of the year was their part in the Vocal Music Department's production of the hit musical comedy, *The Boy Friend*, the first major production of this type presented at Chelmsford High.

The talent and versatility of the individual members of the choir were recognized when Don Stavely was elected as the Choir Guild's Vocal Music delegate, and Mary Draine, Martin Jolin, and Barbara Morse represented the choir at the Northeastern Massachusetts Music Festival held in Marblehead in December. Phillip Jones served as the Choir's student conductor and Adrith Pihl as accompanist.

Many varsity choristers were given other varied musical experience as members of small vocal ensembles, such as the Mixed Sextet, Mixed Octet, and Girls Triple Trio.

As the strains of "Autumn Leaves", "He Never Said a Mumbalin' Word", "Over the Rainbow", and many other sacred or popular melodies ring through the corridor, we know that Vocal Music at Chelmsford High, under the talented leadership of Mr. R. D. Jennings, has become a vital, important, and increasingly popular part of our student life.

Baton Twirlers

Under the able leadership of Claudia Whealen and Carol Knowles, the Twirlers have had a most successful and interesting year. "Keep in step" and "Smile" were often-repeated commands.

The versatile band director, Mr. Martin D. Enis, inspired the Twirlers to do better than their best and furnished them with an unending source of patterns for maneuvers on parade.

Maryeileen Callahan complemented the routines of the Twirlers by adding her talent as an acrobat.

The co-captains this year, attired in trim, white uniforms, directed the strutting Twirlers through routines during the halftime at all the football games and at the Thanksgiving Day football game as well. They also brightened the pep rallies held in the auditorium.

Senior Twirlers were usherettes at the Exchange Band Concert with Woodbury High School of Salem, New Hampshire, held on March 1, 1962, at Chelmsford High School.

As usual, the complete squad marched in the Memorial Day parade, the last festivity of another dynamic year.

Band

The class of 1962 wishes to congratulate the Chelmsford High School Band on a year of accomplishment. Their activities began with sterling performances at the football games. During the Christmas season the band members brought cheer to the shut-ins of the town with their caroling.

An innovation this year was the Exchange Band Concerts produced in conjunction with Woodbury High School Band of Salem, New Hampshire. On February 29, Chelmsford went to Salem and on March 1, Woodbury came here. At the concert each presented a varied program; and then the massed band of over a hundred pieces triumphed in a grand finale.

During the Tech Tourney at the Boston Garden, the Band added much to the glamour and the color of the event with their rousing tunes.

The Spring Band Concert gave the band members an excellent opportunity to display their talent in the different musical fields as they played with eloquence and style, classical, semi-classical, and popular numbers.

Following tradition, the band completed its season by leading the Memorial Day parade and playing the graduation march for the seniors.

Under the able and energetic direction of Mr. Martin D. Enis, the band has developed into a musical unit whose performance we can always be proud of wherever it travels.

We the class of '62, are proud to be able to claim the Chelmsford High Band as *our* band.

School Store

Our school store, which is operated by the Salesmanship Class, is located near the Library, at one of the most convenient and most visited spots in school. The store is open every morning from 7:40 to 8:00 for the sale of regular school supplies, such as bookcovers featuring a picture of the school's front entrance, ballpoint pens, rules, stationery, and novelties. The novelties include beanies, polka-dotted rainhats, C. H. S. throw pillows, Chelmsford lions with autograph backs, and various types of stuffed animals.

In cooperation with the reading program of the English department, this year the school store has been offering paperbacks with a wide range of interesting titles. Along with other eye-catching merchandise, the attractive display case, arranged by Kathy Dearth, has featured these paperbacks and their slogan, "Send me a man who reads."

In the fulfillment of its major purpose, the school store gives to the members of the Salesmanship Class experience in ordering, checking, and marking merchandise; in selling, reordering, and keeping financial records; and in advertising and decorating.

Mrs. Dorothy Sexton, advisor, has helped make the school store a success by her experienced guidance. The Student Council treasury has been enhanced by the profits from the school store.

The school store has completed another year of service to the student body of Chelmsford High School.

Key Club

The Key Club, sponsored by the Kiwanis Club, was officially accepted into the Key Club International in 1960.

The Key Club is made up of young men of the high school who are willing to give their time for service to the school and community.

This year, under the direction of Mr. Robert Dube and Mr. Robert McConeghy, the club has completed many worthwhile projects.

Foremost among these was the organizing of the first Interclub Conference ever held in this Key Club district. The major topic of discussion was "How Can We Expand Key Club Service to the Schools and Community." To this meeting in our cafeteria came delegates from Key Clubs of Haverhill, Woburn, Billerica, and St. Joseph's High of Lowell.

To send representatives to the Key Club convention in Hartford, the club held a most successful slave auction. The "slaves" were key clubbers whose services went to the highest bidders; the "bidders" were Kiwanians willing to contribute to a good cause and glad to get some much needed help, in one way or another, at the same time.

Another year of service and achievement has been completed by the Key Club.

Math League

The Math League under the expert guidance of its advisors, Mrs. Elaine Shepard and Miss Rosemarie Contarino, has had an active year. A major project of the League members was participation in several math meets with other high schools from surrounding towns.

At the club meetings the advisors helped the members to review material for the meets and aided them in preparing for actual participation by administering a battery of practice tests. After correcting these tests, the advisors review with the members, their strengths and weaknesses.

A stipulation of the Math League is that no more than ten students shall participate at any one time in any one meet. Our members, therefore, were divided into groups: four seniors, four juniors, and either two sophomores, or two freshmen, or one sophomore and one freshman. There are six categories open to the students such as Arithmetic, Algebra I Factoring, Trigonometry, Conics, Quadratic Equations, and Algebra I Word Problems. Each category is limited to five participants. It is a rule that a student shall participate in no more than three groups.

Although the Math League — an expanded interpretation of last year's Math Club — has taken part in only a few meets, these have been very successful. With the active interest shown by the members and with the enthusiasm of the advisors, the Math League will certainly grow and prosper.

Speech Club

The Speech Club directed by Mr. T. P. Elliott-Smith, has been very busy this year especially in extemporaneous speaking. Chelmsford has been represented in three varsity tournaments at Notre Dame. Even though competing against varsity debaters, our novice representatives did extremely well. Elizabeth Fisher received two superior ratings and Brenda Webb and Nancy Gadzuk each received a superior rating at the Suffolk University Speech Contest on April 7. The Chelmsford High School Speech Club was represented in original oratory, dramatic interpretation, extemporaneous speaking, and dramatic reading. The Chelmsford High School Speech Club also participated at the Shrewsbury Invitational Tournament on May 4 and 5.

If this year's success is an indication of success in the future, Chelmsford High can be proud of her Speech Club.

Pep Club

This year's Pep Club dressed in colorful bibs and comical hats added to the excitement and the glamour of the football season. Under the guidance of Miss J. Francine Kealy and Miss Elizabeth Lunt, the club using large maroon and white cards spelled out words and created symbols which helped to stimulate the cheering of the crowd and in turn to spur the team to victory.

Photography Club

The Photography Club, Chelmsford High School's newest club and activity, is very rapidly gaining in importance, popularity, and success. Mr. Robert C. Andrews is the faculty advisor, while Roy Duddy is the student leader. Although the Photography Club is in its first year, its membership is comparatively large and very enthusiastic.

The Photography Club of '61-'62 has established the foundation for the future of the Photography Club at C.H.S. At the weekly meetings, under the direction of Mr. Andrews, the members analyze the pictures which they have taken and processed, and judge them for composition and technical perfection.

In the library the club has maintained an exhibit of varied subjects that are changed bi-weekly. The subjects presented are divided into categories — night scene, still life, action shots, scenery, architecture, and portraits — and each member is assigned special work in his area of interest. The flashes of the photographers are seen in the corridors, in the class rooms, in the cafeteria, at games, and at all C.H.S. activities. In all these places, the cameramen leave a trail of blistered bulbs and Kodak film packages.

The club members furnish their own materials and equipment except for the new 4 x 5 Graphic Press camera purchased by the school department for the use of the school.

The members are particularly fortunate for the willing assistance and skilled direction of Mr. Robert C. Andrew, their advisor.
