IN ALL DIRECTIONS

Our high school odyssey began in 1990. We started out with apprehension and hesitation as we anticipated the long, challenging course that lay ahead. At the onset of freshman year, we walked along the same pathway, filled with curiosity and excitement as we viewed all the opportunities that surrounded us. Gradually, our various interests inspired us to branch off in our own directions as we sought to pursue our individual goals. As a result, each one of us created our own paths that defined our uniqueness.

Through the years, we have overcome numerous obstacles, taken many risks, and made countless decisions at those critical forks in the road. We have travelled a long way and now we come together to take the final steps of our high school years as we approach graduation. Once again,

Hey seniors, the sign says "KEEP LEFT"- Can't you read?

we will all move out in different directions, paving new roads to travel on. Before we move on, however, let us take a look back at the memories we've created as the Class of 1994.

The Class of 1994 is marked by diversity. From the athletic field to the classroom, from studying music to learning about computers, each student has followed his/her own path of interest. As one can see, the result is a heterogeneous student body united by class spirit.

Dedicated to . . . Mrs. Monahan

The Class of 1994 owes much gratitude to Mrs. Joan Monahan. For the past four years, she has been a dedicated and hard-working class advisor. Her unending enthusiasm has always kept the class spirit alive. Much of our success can be attributed to her efforts.

Besides being a faithful class advisor, Mrs. Monahan is also extremely devoted to her Special Needs students. Her caring, compassionate nature is clearly displayed through her interactions with these children.

We would like to thank you, Mrs. Monahan, for your guidance and support these past four years. In order to show our appreciation, we are dedicating this yearbook to you.

SWEDEN:(exchange students)

"[Our school] is very similar to Chelmsford. Soccer is big in Sweden as well as ice hockey... [We feel that] people are more open-minded here. You are free to do whatever you want... [However] Sweden is the COOLEST country in the world!"

-Olov Dahlback and Marcus Carlsson

AUSTRALIA:

"Australia is a gorgeous country. I met many new people and experienced Australian culture to the fullest,"

-Kristin Grenham

FRANCE: (exchange student)

"[Our] school is very different. We have more freedom. We eat better. My country is not France, it is Europe. I love my country, [but] I find the States more cool,"

-Caroline Bader

CHS consists of students from a variety of backgrounds, as well as students that have been given the opportunity to travel around the world, extremely different from that of their Grenham, Michelle Anderson, Ainex Marcus Carlsson, Jimmy Levesque, and this opportunity. Their travels range way "down under". Here, they share representing students who come from all directions.

enabling them to be exposed to cultures homeland. The Class of 94 seniors: Kristen Baez, Andrea Saldini, Olov Dahlback, Caroline Bader, have been presented with from the beautiful country of Italy to all the their feelings about their experience, repre-

BRAZIL: (exchange student)

"[The students at my school are all] close friends. [There are] big cities, poor places, diverse places... My stay here has been wonderful"

-Andrea Saldini

ITALY:

"It was one of the best experiences. Beautiful city, the people are open... We think of our host families every day as well as our experience... [There are] huge fields of sunflowers... We will have beautiful memories in our minds and hearts forever,"

-Michelle Anderson and Ainex Baez

NEW ZEALAND:

New Zealand is a country of rolling, flat plains and high, rocky mountains; two extremes. It is not polluted nor contaminated in any way. In fact, any running stream I came to, I knelt down and drank from it. The people are old fashioned but unbelievably courteous and giving. The style of living is more of hard labor and less materialistic than America's.

-James Levesque

THE SECRET GARDEN

Enchantment filled the air as the unforgettable night of May 15, 1993 began to unfold. The Chelmsford High School cafeteria had been magically transformed into a magnificent Secret Garden. The alluring ladies and noble gentlemen had anxiously awaited this festive night as their junior year came to a close. The excitement was reaching a peak as the Class of 1994 began a joyous night that they would never forget.

To reach the Secret Garden one had to follow a mystical path. Leaves crunched underfoot as we stepped through a tunnel, over a bridge, and entered the garden. The scene was breathtaking. Sweet-smelling flowers and lush vegetation provided the perfect backdrop for the romantic evening. Dazzling ladies, resplendent in their fine apparel, were courted by their chivalrous gentlemen to the entertaining tunes of the musicians. Between socializing, dancing, and dining on the delicious food, the time passed by and the memorable night was over. The Class of 1994 had enjoyed a wonderful evening in the mysterious depths of the Secret Garden.

HALLOWEEN DANCE

The chilly, frightful night of October 23 was perfect for the Class of 1994's Halloween Dance. The air was filled with apprehension and excitement as everyone prepared to transform themselves. The event attracted creatures from the middle to the modern ages, to the Clinton family. From the Village People, the Flinstones, and the Wizard of Oz, a broad spectrum of characters were present in the CHS cafe.

The dance floor was packed as the senior class danced to the exciting music. The wild and crazy night was just getting underway. After reviewing the creative costumes, the appointed judges cast their votes for the best ones. This was one of the evening's highlights.

The hour hand seemed to go around the clock much faster that night, and soon it was time to depart. The intense night of fun and zaniness had come to an end. As quickly as they had come, the creatures soon disappeared into the dark and mysterious night.

Cops Fay and Maloney are successful in their arrest of those bad boys Lennox and Scipione.

Peace, man! It's the revival of the sixties.

GIRL SCOUT bonanza

Show us your Charleston thing, Flappers!

CLASS OFFICERS

(From l to r:) Joe Balan, Mike Kasparian, Heather Mahon, Kirk Bishop

Dear Class of 1994,

As your class president, it has been an honor to work with and around our class. There are no words which can express how truly grateful I am, but I believe my personality and actions can, and will, speak for themselves. I would like to personally thank the class representatives along with Kirk Bishop- Vice-President, Joe Balan- Treasurer, and Heather Mahon- Secretary for their hard work and spirited attitudes which made all of our class events possible and successful. I would also like to give a special thanks to our incredible advisors, Mrs. Joan Monahan and Mr. Edward Rubin for all of their help and patience.

There is no other class besides the Class of 1994 at Chelmsford High School that I would be more proud to represent as class president. I will never forget you as a class or all the good times, and will remember you in my mind always. Good luck to you in all the different directions you may travel.

CLASS REPRESENTATIVES

Our class has been extremely lucky to have such a dedicated group of individuals working for the benefit of our class. The Senior Class Representatives have worked extremely hard in order to make our senior year the greatest ever. From this year's Prom, to car washes, to candy sales; from the magazine drive, to spirit week; the class representatives have strived to promote the unity necessary to any graduating class. We know that we have succeeded to the full extent.

Under the guidance of Mrs. Monahan and Mr. Rubin, we have been able to fulfill our title as REPRESENTA-

TIVES of the class. They have taught us that sometimes it is more important to place our own interests second to those of the class as a whole. After four years, our class has matured and united together through the leadership of our class representatives. We may have entered the high school as young freshmen, each with own group of friends, but now we graduate a group of over three hundred of the best friends that this high school has ever seen. Throughout all of the hard work we have truly had fun. Years from now, we will all look back and still feel that it had been a privilege to represent the Class of 1994.

-Aaron M. Bates

CLASS ADVISORS

“ TO THE CLASS OF 1994:

Some astute educators say that what makes one school stand out over another is the depth of the curriculum, or the quality of the teaching staff, or the design of the physical plant. Although Chelmsford High School excels in all these areas, what makes it truly great is the quality of the people that are called students. The class of '94, through its leadership, service to the community, and efforts in the classroom, has shown why Chelmsford High is great. It has been a pleasure to work with you as your advisors. Good Luck in all your future endeavors.

”

Edward Rubin and Joan Monahan have been our dedicated class advisors for the past four years. From organizing freshman fundraisers to Senior week activities, these two individuals have been extremely supportive in all of our class endeavors. They have gone above and beyond the call of duty to guide us. Without their continual efforts, none of our class activities would have been successful.

Our journey has now come to an end, but before our departure from CHS, the graduating class of 1994 would like to give recognition to two of its most important assets, Mr. Edward Rubin and Mrs. Joan Monahan. We sincerely appreciate your contributions and hard work. Thank you for everything!

Seniors

At last, the long awaited senior year has arrived, after four years of traveling and exploration. We now approach the end of the road. As we embarked on our four year journey as freshmen, our steps were timid and there was no set route for us to follow. As time went on, and as we became more cognizant of our surrounding, however, our steps became bolder and definite paths were created and pursued. As we reflect upon our life at Chelmsford High School, several realizations come to mind. Due to the richness of the curriculum and of sports and activities in Chelmsford, we have been exposed to a great number of opportunities. As a result, our class has been able to produce a group of diverse individuals with each one having his/her own particular area(s) of pursuit. Also, the excellent faculty and staff have helped to enrich our ever-growing knowledge of different universal topics. Chelmsford High has created a class of well-rounded students, with high aspirations and goals in mind. The Class of 1994 has been prepared with a preview of life's journey as we all set out in our own directions to undertake our next journey in life.

THE MORP

Saturday, September 18 was the date of the MORP, the first official dance of the year. It was an occasion for meeting up with old friends and making new ones. The casual atmosphere was ideal for relaxing and escaping from the anxieties of starting the new school year. Fellow students acted as the D.J.s and played an exciting medley of hits, drawing everyone to the dance floor. The crowd was lively and wild as people grooved to the music. Enthusiasm shone on everyone's faces. The night passed by quickly. The MORP turned out to be a great success and left everyone looking forward to upcoming social events.

Kerri is always on the top of things.

What a happy bunch of folks!

John Hiltz thinks to himself, "Wow, look at the lens on that camera,".

Sonali and Ruta seem to be having a blast at the MORP.

Tim McEvoy struts his stuff.

Need a hair dryer Alicia?

Relax guys, it's only a picture.

Dave, you are THE MAN.

BLOOD DRIVE

It was a day for setting aside one's own worries to help others in need. The high school gym was filled with volunteers setting up and busily preparing for the day ahead. Red Cross volunteers and generous student and teacher donors came together for this worthy cause. Many of the donors were apprehensive about having blood drawn. Friends provided comfort and support to their peers. Plenty of refreshments were on hand for the people who donated blood. Many pints of blood were collected through the combined efforts of Chelmsford High's faculty and student body. It is events like this that exemplify the philanthropic spirit of Chelmsford High School.

Mike, don't look so consoling.

Danny comforts Joanna as she donates blood.

These guys stop for a quick snack after giving blood.

Apparently, this is the first time Andrea has seen a camera. "What's that?" she says.

Donata appears to be directing traffic.

Stephanie lends Chantelle a helping hand.

"We're the Flynn-stones!"

This trio looks relaxed in spite of the fact that they will soon donate several pints of blood.

Give the gift of life...

HOMECOMING

The second annual Chelmsford High Homecoming dance took place on Tuesday, November 23, in the high school gymnasium. A deviation from the norm, this dance was a refreshing change from the past school dances. A variety of bands displayed their musical talent in front of a jubilant audience. The success of this social event ensured the continuation of Homecoming dances in the future.

This band's outstanding talents helped make the Homecoming Dance a fun-filled event.

The girls huddle for a group photo.

Can you see the dollar signs in their eyes?

These girls came for some relaxation and fun.

Top: 7 pals lounging around and enjoying themselves.

Bottom: Amy Boudrow takes a quick break from the singing.

Top: Brian and Todd prepare to electrify the audience with their musical talent.

Bottom: Laurie is so happy she decides to choke her friends.

Class president, Drummer, this guy can do it all.

It's Maral and Pal

Don't they make an attractive bunch?

What's so funny Beth?

Members of the court Stacey and Chris, Jessica and Mark, and Colleen and Kirk, join King John IV and Queen Jen.

Mike Tramontano and Kerry MacDonald cuddle for the camera.

WINTER DANCE

Holiday spirit was in the air on the night of Friday, December 10, 1993. An aura of romance and intrigue pervaded the atmosphere of the cafeteria as hundreds of students poured into the school, ready to dance the night away. Over seven hundred students attended the dance, making it one of the most fun-filled ever. Both cafeterias needed to be used to accommodate the large number of people. A professional D.J. kept the crowd entertained with his selection of music. The ladies and gentlemen looked their best in their formal attire. The crowd gathered to witness the crowning of the King and Queen, John Myers and Jen Oliver, and the members of their court: Chris Blagg and Stacey Keane, Kirk Bishop and Colleen Wharton, and Mark Scipione and Jessica Downing. It was definitely a night to remember!

Matt Brown jumps in at the last minute.

Marni, Joe, Desiree, Kris, Mike, and Alycia stroll arm in arm down the walkway.

Heather and John waltz around the dance floor.

Abby, Amy, and Connie are ladies of the night.

What a classy couple.

Everyone lean to the right!

These guys refuel before heading back to the dance floor.

Are you girls attempting to do the Electric Slide?

Above: If you're happy and you know it . . . smile!

Sick of your dates already girls?

Matt Quigley tries to start a kick line.

These girls are all smiley tonight!

Don't get too close for comfort, now, Ryan and Kelly.

Doin' the disco thing.

Above: Go Running Man, Go!

AS REMEMBERED...

Doug Hogan

Doug was a son, a brother, family, and to many, a good friend. Although his life was short, he lived each day to the fullest. In only thirteen years, he accumulated the sensitivity, love and humor of a man.

He liked to be a little mischievous but never at the expense of anyone's feelings. He was sensitive and always thinking of others. That was his love for family and friends.

He was in awe of his brother, often his critic but always his closest friend. With each well thought gift, his aim was to please.

With each achievement in life, he expressed his determination and pride. That showed in his love for hockey and skiing. Whenever you approached his driveway, you would see him with his brother and friends playing street hockey.

Constantly happy, reaching for a joke often interrupted by his own laughter to lighten the spirits of those around him.

It is amazing how one little boy's passing touched so many lives in one way or another. Some that knew him well, some that knew him briefly, and some that didn't know him at all.

Doug's memory remains within the Hockey Scholarship and his spirit is a proud member of the Class of 1994.

He is truly the "Wind Beneath Our Wings." We Miss You...

- *Marsha G. Hogan*

Cyndi Moores

A Lifetime

*She was singing, dancing, laughing
and poetry so sweet,
A little added friendship
to all that she should meet.
An added bit of wisdom,
with a friend so closely shared,
A helping hand to others,
because she really cared.
How much we all are saddened,
by the loss of one so dear,
Yet, mustn't we be gladdened too,
for we have known her here?
Miss Cyndi's up in Heaven now,
and with the Angels singing
Praised in a voice still sweeter
while the bells continue ringing.
Yes, for each of us who knew her,
she has added a dimension,
Of memories that stay with us
A positive extension.
Please help us god, to our best
with love and friendship true,
To fill each day with kindness
toward others, as to You.*

Juniors

The class of 1995 is definitely headed in the right direction. They have met the academic and social challenges that accompany junior year; and they are now ready to kick back and prepare for the final stage of high school. They have many responsibilities to meet as seniors. It's time to shift into four wheel drive and venture into SENIOR YEAR! A well deserved victory.

Sophomores

The sophomores have passed the many bends in the road of their second year at CHS. They have taken exit ramps to new places and activities. They are learning to read the maps that will help them find their way towards their still distant destination of graduation. They have big shoes to fill as the juniors have been adventurous and left many marks along the road to success. They have a tough year ahead, but they have the tools they need. They are ready to succeed despite the construction they will encounter along the road to graduation.

Freshman

The freshman are well on their way, the only direction they can go is up. Although they are the newest class at CHS, they are slowly gaining experience. They have watched the upperclassmen spread their wings and by observing, have learned to develop inner strength to reach for new goals. They are still uncertain about many things and have so many important decisions to make. They will be successful in everything they attempt if they can keep moving in the right direction. They have formed many important friendships and can use their friends and the extensive faculty assistance to guide them on their way. For many members of the class of 1997, their year at CHS has been an eye opener to how fast their four years in high school will go. May they have many successes as sophomores and in their years beyond as they begin to discover the many directions they travel in.

Activities

The buses have left. The halls are silent, but a closer look reveals that life still exists. If you listen carefully, you may be able to hear the Student Council debating the next theme for Spirit Week or the Theatre Guild holding auditions for their upcoming performance. From skiing, hiking and camping to singing, writing and drawing, Chelmsford high School has it all. And if a student finds that the club he has been looking for does not exist, he can create a new activity. What about role playing club or SEARCH? Whether its following the traditional roads or exploring unchartered pathways, the students of Chelmsford High School are definitely in ALL DIRECTIONS.

Freshman Involvement Day

Theatre Guild

The CHS Theatre Guild is a cultural activity which deals with the various aspects of theatre. These aspects include acting, lighting, makeup, costumes, props, sound, set, backstage, and direction. The students involved in Theatre Guild get a chance to taste and get a feel for these vital steps, which are necessary when putting on a performance. Theatre Guild gives students an opportunity to express their creativity through the enlightening entertainment world.

French Honor Society

"La Societe Honoraire de Francais" is an academic club which promotes the language and culture of France. Students are inducted into the society annually based on their academic credentials in French as well as other subjects. The society also has fundraisers to raise money for the poor and for Chelmsford scholarships. It is an honor to be a member of the French Honor Society because of the hard work and dedication students apply to their academic and cultural endeavors in French.

A.F.S.

The AFS club is an inter-cultural program that promotes peace through relationships between local and foreign students. AFS allows student from different countries to come together. The Chelmsford high school AFS Club hosts foreign student for a year, while they attend our high school. AFS hosts a weekend in the fall where visiting foreign exchange students from surrounding areas come together. AFS also has one domestic exchange. Last year students from Chelmsford High School and students from Appleton high School, Wisconsin had an exchange. AFS members do not have to participate in foreign or domestic exchanges. They are welcome to participate in the clubs activities and events while students are visiting Chelmsford.

MENTALITY.

REFLECTION.

Sports

The spirit of Chelmsford High Athletics has, and hopefully always will be, one of friendly competition and camaraderie. Athletes of all ability levels are encouraged and supported by their teammates and coaches. Winning isn't everything to the teams at Chelmsford High (although winning is something that they seem to do very well).

"What's more important than winning?"

"Many things". Whether one is a runner or swimmer, a basketball player or a wrestler, the prevailing spirit of his or her team is not that of cut-throat competition, but rather a feeling of good sportsmanship. One does not play a sport merely to win, but to improve, to be a part of the team, and to learn. Each athlete brings unique qualities to his or her team, making a more diverse atmosphere for everyone involved. Practices are a time to get to know people outside of classes, and to develop a strong feeling of team spirit.

However, while these teams provide a sense of unity for the school, they also create another diversity. While each athlete has his or her favorite sport, they also have their own individual goals. Not everyone can be the best, but everyone strives to do his or her best. During the competition there is a "coming together" that creates the school spirit, but at the same time, each person is free to determine down which path their hard work and dedication will take them.

TIMMY

The Cross Country team is off to yet another great start. This meet against Andover brought them even closer to their MVC championship.

"I prefer Dep Super Hold hair gel to keep my hair bouffant and shiny the whole 3.1 miles."
-senior co-captain Mike Marchand

Above: Senior Andy Ferante gives every race his all.

Right: "Rob Therrian, how can you look so happy after finishing such a long, greuling race?"

"We need a hobby," say Greg, Greg, Tim and Dave, the Cross Country team's very own cheerleaders.

"Slow down or I'll have to give you a ticket," says cross country referee Tim McMaster to junior Steve Mayol as he speeds across the finish line.

Winning In All Directions

By means of the superb talent and ability CHS has come to expect of them, the Boy's Cross Country team captured the MVC championship with a perfect record of 10-0-0.

Leading the team through victory after victory were top runners and co-captains, seniors Mike Marchand and Rob Therrien, and junior Steve Mayol. Other runners who strongly contributed to this championship season were senior Mike Sablone, junior Steve Boyd and junior Matt Metivier. All in all though, every athlete on this team gave his personal best. The sacrifice and dedication of each cross country member is reflected in their outstanding record.

Perhaps the best attribute of boy's cross country is the comraderie and unity which is very evident on this team. Although often thought of as a sport of individualism and personal endeavors, the boy's cross country team runs as one.

Congratulations to these champion Lions and a very special thanks to Coach Durkin and Coach Christman for their time, effort, and friendship.

Shining At The Top

Girls Cross Country 1993 . . . a disappointment, no; a season full of bonding and good times, yes. The girls Cross Country team had a successful running season. With a record of 7-2, their only 2 losses were by one

point each. The small but greatly talented group of girls rose to the occasion to become one of the top teams in the MVC. Even though a majority of the team had been injured, they still came through the season shining. Leading the team were captains Anita "Ameba" Sebastian, Stacey "Stat" Keane, and Danielle "Bartman" Bartholemew. Stars in the making are Lizzie "Bert" Keane and Jen "the Gav" Gavin.

Victory

The varsity field hockey team's hard work finally paid off. We were second in the MVC with a record of 13-4-3. Through the leadership of coach Laura Federico and captains Holly Eng, Heather Mahon, and Anne Perriello, the team advanced to the second round of the state tournament, something that had not been accomplished in five years.

The bonding and togetherness of the team is what made it work. We all had that extra push, everyone gave it their all for every game. I am very proud of the team this year and I am glad I was part of it.

Good luck to next year's team, you have the potential to go all the way, but you've got to want it! All or Nothing.

A Season To Remember

We will forever remember this season as long as we live. The friendships that we made and the bonds that were created are things that can not be replaced. A season full of memories: summer weightlifting with Irish music, double sessions, opening night annihilation of Dracut; our punishing, gangtackling defense; and explosive, high powered offense. The Program: #1 in the state, VCA's, Thursday's dinners, Coach Caito's inspiration speeches, before the game at Freddy's, the senior's last game in the Den. Thanks to all the coaches for their hard work, dedication, and belief in us. Throughout all the good times and bad times, we stuck together. As our lives go on, we should treasure these memories and never forget our magical season.

Driving Forward

The CHS Golf Team, led by coach John MacLauglan, finished the fall 1987 season in second place in the MVC with a commendable 13-3 record. This qualified the team for state championships in the spring. Senior co-captain John Dixon and sophomore Phil Smith were selected to represent CHS at the individual conference championship and both made the MVC All-Star Team. The team thanked Apple Country Club, for allowing them to use the club throughout the season.

The fall 1993 golf team was not quite as good as the team in 1987, but with many new members, they can look forward to much improvement during the 1994 season. Good Luck to next year's team, and to the graduating seniors.

A Season of Pride

The Boy's Soccer team had high hopes at the start of the season. Their goals included winning the Merrimack Valley Conference and making the state tournament for the first time since 1990.

The first pre-season game foreshadowed the misfortune ahead. In the first five minutes of the game, Dan Forcier sustained a season ending injury to his knee. The regular season started off poorly. The team's confidence was crushed after the 7-0 loss to Andover followed by the 4-0 loss to Lowell.

The team showed great pride and character coming back from an 0-3 start to go undefeated for the next six games. The team's confidence was soaring and they were looking forward to making the playoffs.

Unfortunately things did not go their way. Several questionable calls by the referees hampered the team's progress. A goal by Billerica in the last minute of the game stunned the team as they were eliminated from the state tournament.

Despite the overall disappointing season, several athletes showed great fortitude throughout the season. The offense was led by Matt Brown and Robin Lennox. Standouts in the mid-field included Mark Scipione, Chad Fay, and Steve Wong. The defense was extremely strong, led by Kyle Blackburn, Kevin Beaudoin, Mike Maloney, and Mike Anderson. Matt Caffelle took over in net after Rob Lennox moved up to striker.

Next year the team will be devastated by the loss of beloved coach Scott Thomas who has been with Chelmsford for the past six years. He has led the team to many successful seasons and will be sorely missed.

Lady Lions Roar On

It was a tough season for this year's Lady Lions Soccer Team. With strong competition from all over the Merrimack Valley, they knew they had quite a struggle ahead of them. The overall team attitude improved throughout the season as the girls played better and better.

This year's Girls Varsity Soccer Team possessed a lot of talent, although the scores don't always reflect this. Leading the team were captains Karen DiGiovanni, Colleen Gleason, and Colleen Wharton. These three girls led their team mates both on and off the field, and kept their fellow teammates up whenever possible. Other standouts included juniors Amy Richardson and Sherri Rogers; in addition to most improved player, Laurie Therrien and most valuable player, Carrie Rollins, these spirited juniors have quite a bit to look forward to next season. Also, sophomore Jen Ossen will be one to be on the look out for, as she has been for the past two years.

Good Luck to next year's team, it should be a great one.

QUACK, QUACK, THE LIONS LEAD THE PACK

It started out as a rough season. With three weeks practice, the CHS swim team faced its three toughest competitors right in a row. The three close losses were tough, but the Lady Lions were not about to be kept down for long. The Chelmsford High Girls swim team bounced back

to capture an unprecedented second place in the MIAA Girls Swimming State Championships.

Top scorers this season were senior Kelly Gouldson, juniors Chrissi Crow and Kait McLaughlin, sophomores Amy Fischer and Clewis Kinnett, freshman Jenelle Bryan and senior diver Karen Ready. However, it was not only the top swimmers who contributed to the season's success. Each swimmer's hard work and dedication payed off in the form of personal best times, and valuable points in every meet. To have such an amazing come back, it took every swimmers determination to be a little better than they were before.

It was a season of bonding, spaghetti dinners, pigtailed, ducks and sparkle suits. Although swimming is thought of as an individual sport, the CHS girls swim team is one of the closest, most spirited teams in the school. After all, not many teams would sacrifice shaving their legs for three months just because their coaches asked them to.

Congratulations to this outstanding group of girls, and their proud coaches, Mr. Thomas and Mrs. Peterson. May the spirit of the duck sparkle on and on!

Another Successful Season

Hard work is what made the Varsity Girls Volleyball Team defend their title of MVC Large School Champions. With a regular season record of 17 - 3, the girls showed that they deserved the title. Returning starters leading the pack included Co-Captains Jennifer Lis and Christina Sanford along with junior Jen Mumby. The varsity "family" was also made up of seniors Alicia Goldman and Melissa Fay, juniors Kerri Duffin, Sherrill Erickson, Jessi Ferner, Melissa Hogan, Emily Kluga, Kaley MacDonald, and Caryl Nicoli, sophomore Laura McCormack, freshman Heather Turay, and manager Liz Cook. Representing CHS on the All-Star team were Lis, Sanford, Ferner, Mumby and Turay. Sanford, Lis and Mumby were also nominated for the All-Conference team. Sanford was the MVP, and Fay was the MIP. Not only did excellent volleyball skills help the team to success, but team work and commitment also played a large part.

This past season, the competition in the MVC was not easy. Teams like Methuen and Haverhill came out of nowhere to give the Lions a scare. Rivals like Dracut and Billerica were also out to "Cage the Lions." Fortunately, the Lions rose to the occasion every game and came out on top, except to Small School Champions, Lawrence. The Lions lost to Lawrence twice in the regular season and also in the semi-finals of the North Sectionals. Out of the MVC, the CHS volleyball team traveled to Barnstable to compete in a tournament. The girls defeated Dennis-Yarmouth but lost to the eventually crowned Division 1 champs, Barnstable.

Returning to the coaching positions were head coach Dana DeFilippo and assistant coaches Michelle Pouliot and Karen Robillard. With talented coaches and players like these, the Chelmsford High Girls Volleyball Team will always be successful.

A Strong Season

The 1993-94 Varsity Basketball team showed the rest of the Merrimack Valley Conference that Chelmsford High basketball is ready to return to the top of the standings. The team was led by its seven seniors.

Captain and forward John Myers used his athletic ability to create many scoring opportunities. Dick White, another captain and forward, was a great rebounder and was a consistent scorer. Captain Brian McHale ran the team as the point guard and combined with the other two starters, Tim McMaster and Greg Kay to give the team three starting outside threats. Paul Barton's size and work ethic made him another key contributor. Ryan Murphy's ability to play both outside as a guard or inside as a surprising offensive rebounder made him another important part of the team.

Juniors Bill Shellbach, Chris Brothers, Kevin McHale, Paul Branco, and Mike Chamberas showed that the team will suffer no let down in 1994-95.

The team got off to a great start winning seven of its first ten games. In this stretch the team captured second place in the large school division of the Haverhill Holiday Tournament. Injuries slowed down the team in the middle of the season, but the team's refusal to quit helped it bounce back and finish strong.

More than just flips and tumbles

The CHS gymnastics team had a successful year as they continued to improve throughout the season. The combined spirit of all the team members produced a season filled with great excitement and many victories. The team finished the season breaking even with a 4-4 record.

The team was led by a senior captain Becky Harris who placed third in the all-around at the MVC meet and qualified individually for States. Also contributing many points and improving tremendously over the past year were juniors Heather England, Simone Beaubien, and Jocelyn Lingren. Sophomore standouts Deanna Hovey, Robin Johnson, and Amy Lemaire all competed well and qualified for the MVC meet. Freshmen Kristen Gould and Anna Issak-Ross proved to be valuable additions to the team.

One of the high points of the season was a tri-meet against Lowell and Billerica. Previously in the season, Chelmsford lost to Billerica by .15 points. The Chelmsford gymnasts, determined to win, scored a season high of 122.5 points and defeated both teams. With the excellent coaching of Lisa Fairburn and Jill Landry, the team should continue to be strong in the future. Good luck to everyone on next year's team, and remember, go hard or go home!

A Solid Season

As the regular season came to an end, the Chelmsford High Hockey Team had a record of 12-18. With all of the "good players" gone, this young team was not expected to do very well.

However, that was not the case. The Chelmsford Hockey Team finished second place in the MVC. In a heart pounding game, the hockey team beat long standing rival Billerica for the first time in years. With a victory over Andover, the hockey team qualified for the State Tournament.

The powerful line up of captains, John Sheehy and Jackie Holmes, teamed up with Rich DeCaprio for almost 100 points. Serving on the All-Conference team were Rich DeCaprio, Rick Sacchetti, Jackie Holmes. Strong performances from the "Elite Three", Terrance McCrensky, Steve DeMoulied, Rick Sachetti made the work easier for goaltenders Kirk Bishop and Aaron Robinson. Swimming In Success

The CHS Boys' Swim Team was once again a powerful team with many dedicated and talented swimmers. With their incredible depth, the team cruised through the season, going undefeated in the Merrimack Valley Conference. The Lions won the MVC dual meet crown as well as the MVC championship.

The team swam well at the North Sectional meet taking third place among tough competition. Overall, the season was extremely successful with many individual and team triumphs.

The team was led by senior captains Chris Blagg and Mark Lonergan and was once again coached by Al Thomas and Pat Peterson. Phil Eckelcamp, Jeff Lurvey, Matt Quigley, Aaron Bates, Andrew Griffin, Ed Kalpas, Jeff Troughton, and Sam Beubien were seniors on the team. The Juniors were led by Dave Rines and Pete Kalpas. The strength of the team lay in the talent of the sophomore swimmers. Scott Campbell, Dave Howe, Dave Crow, Jon Quimby, and Brian Ingles were all important contributors to the team and will be the core of an outstanding team next year.

The Chelmsford divers were once again incredible. Junior Steve Heron led the way by winning every dual meet, and the MVC and Sectional diving events. In addition Steve Heron set a new school diving record by breaking his previous best. Andrew Griffin was not only a Sectional swimmer but a excellent diver, making it to the State meet for the second year in a row.

7 and 1. So Close . . .

The 93-94 Boys' Indoor Track team was certainly one to be respected, even if the late season showdown with powerhouse Central Catholic tarnished an undefeated record. But hey, Central was ranked #2 in the state, right?

This year's team showed incredible versatility, hosting a lineup of many talented athletes. Senior captains Rob Therrien and Mike Marchand toasted competition as always in the distance events. Senior Andy Ferrante and Juniors Steve Mayol and Steve Boyd reinforced the distances by scoring many key second and thirds. Senior captain Tim McEvoy controlled the 600 and proved himself a necessity to the team in the mile relay. The sprints displayed the raw power of senior Keith O'Neil and Junior Dan Curran. Seniors Dave Flynn and Dan Forcier secured the team in the hurdles, along with sophomore star Mike Lossino. Lossino also showed his skill in the High Jump, often clearing just lower than junior standout John Mast. Senior Matt Stanton reigned in the shotput, aided by senior captain Matt Higgins. Running Strong

The Girls' Indoor Track team deserves a lot of credit. The team was great, and a lot of effort was made by both the athletes

and the coaches. The captains, Michelle Anderson, Kerry MacDonald, Christine Sousa, and Colleen Wharton kept the team together after the Lowell meet. Staci and Liz Keane, Kerry MacDonald, Ellen Macabe, and Carrie Rollins brought in many points. The team was strong even though they did not win the Merrimack Valley title. All the teams in the conference were tough and the Lions showed their great strength by beating most of them.

Good luck to everyone next year. Run Happy.

Overcoming Obstacles to a Winning Season

The Lion wrestlers finished the dual meet season at 15-1, the only loss coming from a close bout with Lowell. This record was exceptional considering the obstacles they faced. Captain Jason Fredette who was originally thought to be out for the season returned for the important match points. Captain Mike Sullivan faced a constant struggle with at first mononucleosis and then a broken hand, but returned to competition in top form.

The lower weights of Chelmsford's lineup were strong with sophomore Tim Lewis and junior Steve McNally, despite starting three freshman. Jeff Trudel, Erik Linstad, and Nick Brink wrestled the upper weights and provided every meet with a strong finish. Veteran wrestler Steve MacArthur was forced to coaching due to an injury and showed that he was a great young coach. The middleweights Brad Gould, Jason Bilodeau, Captain Derek Warshafsky, and Captain Sean Spaulding formed a consistent strength in the lineup that opposing teams feared. The lion wrestlers look strong for the upcoming year with many freshmen and veteran wrestlers working hard and coming into their own.

THE YEAR IN REVIEW

Academics

The staff members of Chelmsford High School are as varied as the students they teach. They play an important role in influencing the character of the students, and in helping them find a direction in life. The faculty of Chelmsford High are dedicated, generous and caring people who do their best in every aspect of their job.

The CHS faculty follow the motto "Kids First". They are available not only to the students in the classroom, but also as extra-curricular advisors, as sports coaches and as people a student can go to for advice.

We would like to thank the CHS faculty for making our school a special place that we can be proud of.

Times to Remember: Nation at a Glance

Some of the women in politics this year reached some unprecedented goals. First Lady Hilary Clinton chaired the White House task force that devised the health security plan. The proposal calls for employers to pay 80% of their worker's average health care premiums.

Janet Reno, the first woman attorney general of the U.S., confronts the country's growing problems like drugs, gangs, and violence. However, Reno came under criticism for her role in the burning of the Branch Davidian compound in Waco, Texas. She instructed ATF agents to attack the cult home in April of 1993.

Ruth Bader Ginsburg became the second female Supreme Court Justice. As a lawyer in the 1970's she was the prime architect of the radical argument that the Constitution should require equal treatment for men and women.

Pres. Clinton

As the 42nd president of the United States, the former Governor

of Arkansas struggled through his first few months in the White House. Congress defeated his job bills and delayed his health care reform efforts. However, by September his tax reform bill had passed and he was fine-tuning his health care package. He also made himself a visible peace-keeper by hosting Rabin and Arafat for the signing of the Mideast accord, a treaty for promoting peace between Israel and the Palestinians.

AIDS - The AIDS virus continues to spread. The Centers for Disease Control and Prevention estimate there will be 40,000 to 80,000 new HIV infections in the United States this year. President Clinton appointed Kristine Gebbie as his AIDS policy coordinator, also called the AIDS czar, to oversee government AIDS programs.

Hubble Space Telescope-The 11-member crew of the space shuttle Endeavor had one mission: repair the Hubble Space Telescope. The Hubble was launched in 1990. But defects in its reflective mirrors prevented sharp images of faint stars at the edge of the universe. The Endeavor was launched on December 2nd and chased the Hubble for 820,000 miles over two days before it was plucked from a 367-mile-high orbit. The fix-it crew labored in pairs through a record five spacewalks as the \$1.6 billion, 43-foot telescope rode in the open shuttle cargo bay. The \$629 million repair mission was a success.

L.A. Earthquake- Forty seconds that shook Los Angeles. At 4:31 on Monday morning, January 17, an earthquake registering 6.6 on the Richter Scale jolted residents of Southern California from their sleep. It was not "The Big One", but it left at least 55 people dead, brought down major freeways and destroyed or damaged thousands of homes. The quake caused an estimated \$30 billion in damage. In the city of Los Angeles, 4,500 apartments and houses were destroyed.

Floods-Floods hit the Midwest in late spring and early summer--thousands of farms and homes were lost, fields were swamped and towns were submerged. The states that got hit the hardest were Iowa, Illinois and Missouri, causing billions of dollars worth of damage. As the waters began to recede, barges began moving along the Mississippi River and people began digging out their mud-filled homes. President Clinton signed a \$5.6 million aid package to help the victims.

Times to Remember: World at a Glance...

Clockwise from top: **War in Bosnia**-The U.S. has sent a peace-keeping force to the former Yugoslavia to help peace between the Croats, Muslims and Serbs. Tens of thousands of people have been killed in the 18-month-old war. **Mideast accord**-Enemies to the death for three decades, Israel and the Palestine Liberation Organization opened a new era in their blood-soaked history by recognizing each other's legitimacy. Prime Minister Yitzhak Rabin and the P.L.O. Chairman, Yasser Arafat, signed a treaty at the White House. The Mideast accord was the product of months of secret negotiations conducted mainly in Norway. The accord sanctioned the creation of an autonomous Palestinian homeland in the Gaza Strip and Jericho. **Mohamed Farrah Aidid**- the feared warlord in the devastated country of Somalia, eluded United Nations military forces for months. A U.S.-led multinational force arrived in the war-torn country last year to help feed a starvation population and bring peace to a country that was run by warlords. Aidid was considered the most powerful of the warlords and was blamed for numerous attacks on the military. The power struggle in Somalia left tens of thousands dead and allowed the country to be carved into a collection of clan fiefdoms in the absence of a central government. More than 350,000 Somalis died from the fighting and famine. **Sheik Omar Abdel-Rahman**-was the accused leader of a group of terrorists that exploded a bomb in the World Trade Center, NYC. More than 1,000 were injured and 6 died. **Boris Yeltsin**-dissolved parliament in an unprecedented move in late September and announced new elections. Riots broke out several days later and Yeltsin called in the army to restore peace.

Nancy Kerrigan, who won a silver medal at the 1994 Olympics held in Lillehammer, Norway was bashed on the knee by an unidentified assailant in Detroit in early January. Nearly a month later, Tonya Harding's former husband, Jeff Gillooly, pleaded guilty in the assault case. Miss Harding had consistently denied any role in planning the attack on her competitor. Harding placed a distant tenth compared to Kerrigan's second place medal. Other American Olympians who attracted significant attention were Bonnie Blair, who was the first American woman to win five gold medals, and Dan Jansen, who finally won a gold medal after three previous attempts.

World Series-The Toronto Blue Jays won the 1993 World Series. Joe Carter became the second player to end a World Series with a home run, hitting a three-run shot off Mitch Williams in the ninth inning of Game Six that gave the blue Jays their second straight championship with an 8-6 victory over the Philadelphia Phillies. Toronto became the first repeat World Series champions since the 1978 New York Yankees.

Business

"In All Directions" can be used as an adjective to describe the methods used to pay for this yearbook. When we first met back in late Spring '93, we were "psyched up" by our advisors to go and get an early start on getting advertising. With this pep talk in mind, we went out in groups of two thinking this was going to be easy. We were wrong. Although not completely shot down, we went into the summer with little money and less interest about continuing our selling job over the summer. When we came back, we found out there was a lot of work to be done, not a lot of time to do it, and a lot of money needed in order to support the book.

The business staff came up with many ideas. The ill-fated student advertising section and a possible promotion involving area retailers, just to name a few. Then there were always the parent messages and the early subscription drive to help us pay our first bills. The quest for advertising didn't stop either. Although "slacking" in the beginning, our staff really pulled together and brought in enough money when it counted.

Forward, forever forward. At the end of the tunnel is the light...

At the end of the fight the victory.

New Directions...

The last destination of this journey awaits us and with diplomas in hand, we are now ready to embark on our next adventure; life beyond Chelmsford High School. The past four years have proven that the Class of 1994 is comprised of a diverse population but with unity of spirit and strength which can face any challenge. We have each arrived at the end of our own path, through which we've had to make many decisions, take many turns, take on different challenges, and accept triumphs as well as defeats. The end of this path is merely the entrance to a new, larger road on which to travel.

The 1994 Lion is an attempt on our part to preserve all that we've experienced and all the memories we've created. The two Assistant Editors-in-Chief, Shama Shah and Sonali Parekh, have been by my side, from beginning to end, in producing this yearbook. Their commitment and diligence are aspects I truly admire. The yearbook staff, made up of: Faculty editors Jen Ollington and Kelly Scarmes, Underclass editors Katie McSheehy and Claire Murphy, Activities editors Louise Chen and Jen Rogan,

Sports Editors Allison Jones and Ed Kalpas, Business editors Michelle Galpin, Bhaskar Srivastava, and Kevin Scanlon, student photographers Sharon West, Stephanie Moore, and Camille Pattison, and our artist Tim McEvoy, worked wonderfully as a team. Our advisor, Mary Dukakis, has been an inspiration to us all. Our accomplishments can be attributed to her dedication. Thanks to our business advisor, Mrs. Mary Donovan, we were able to obtain the financial resources we needed. We, the editors, have spent many long hours and have poured our hearts into these pages.

As you all move out in your own separate ways, life at Chelmsford High will become but a memory. This book will help serve as a reminder of the path you followed through high school. I wish the Class of 1994 much success in the future. Good luck to all of you in whatever direction you may go.

Sincerely,
Ruta Nene
 Editor-in-Chief
The 1994 Lion
