Lights, Camera, Action!

A great movie is never created overnight. Hard work, long hours, and many helping hands are needed to make it a success. Despite the sweat, tears, and frustration during the making of the movie, the final product is worth all the work and is something to look back on with pride. These past four years at CHS have been a step in the production of the movie of our lives. We have grown and learned. We have defined who we really are. And this production is not yet over. This process will lead us to a final achievement: the story of our lives.

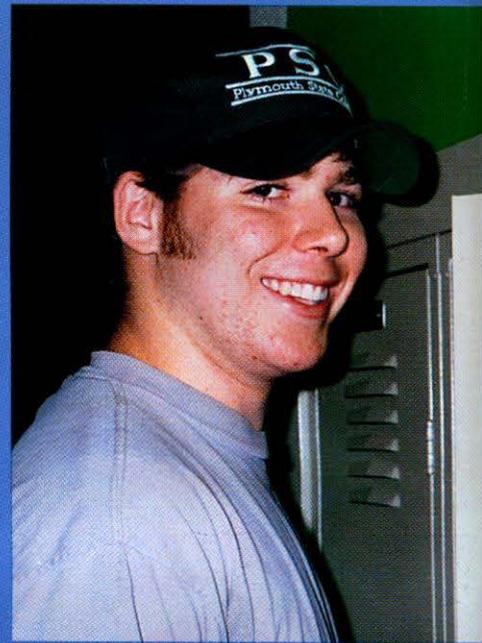

"All the world's a stage,
And all the men and women merely players.
They have their exits and their entrances;
And one man in his time plays many parts..."

~Shakespeare

Lifetime Achieve

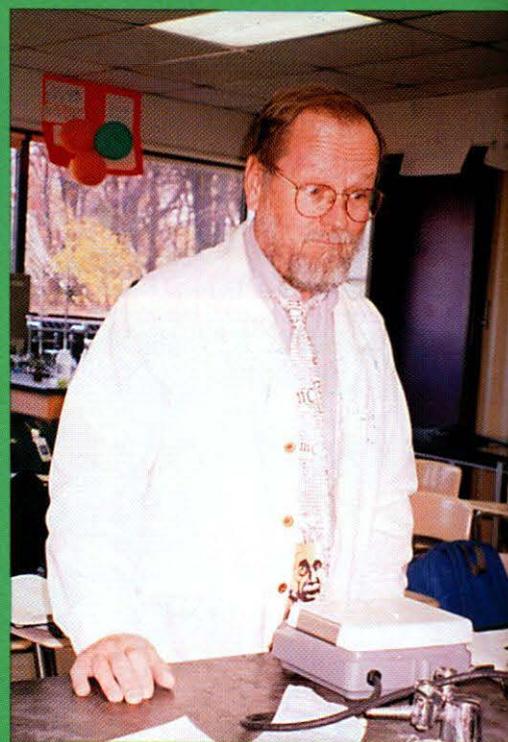

“ You can not teach a man anything. You can only help him to find it within himself.”

~Galileo

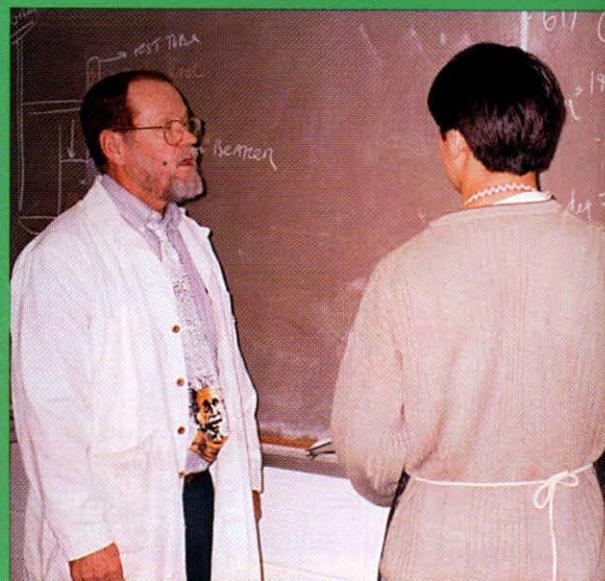

For opening within his students a motivation to learn and grow, not just as scientists, but as human beings, the 1998 Lifetime Achievement Award goes to Mr. Michael Tate.

As a teacher for twenty-eight years at Chelmsford High School, Mr. Tate turned science into an interesting and exciting subject. He instilled a life-long desire for learning into all of his students. No concept was too hard to understand when taught by Mr. Tate. He guided his students through the trials and terrors of the abstract world of Chemistry with a series of smiles and one-liners. He exhibited such a strong love of the subject matter that his students were compelled to unveil their inherent scientific abilities.

Because Mr. Tate was forever a teacher to his students, little is known about the trials and tribulations of his personal life. However, his students knew that they were not merely names

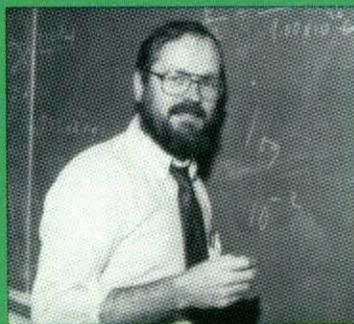

in a rank book to him, but that they were real people with differing personalities and capabilities. Though he “still got paid” no matter

vement Award

what grades his students earned, Mr. Tate tried his utmost to give them a clear understanding of the science of Chemistry.

Mr. Tate taught his students that above all else they would succeed and have all the answers; all they had to do was "turn the crank."

"He was one of the most understanding teachers I've ever had, and he made the class as fun as Chemistry could possibly be."

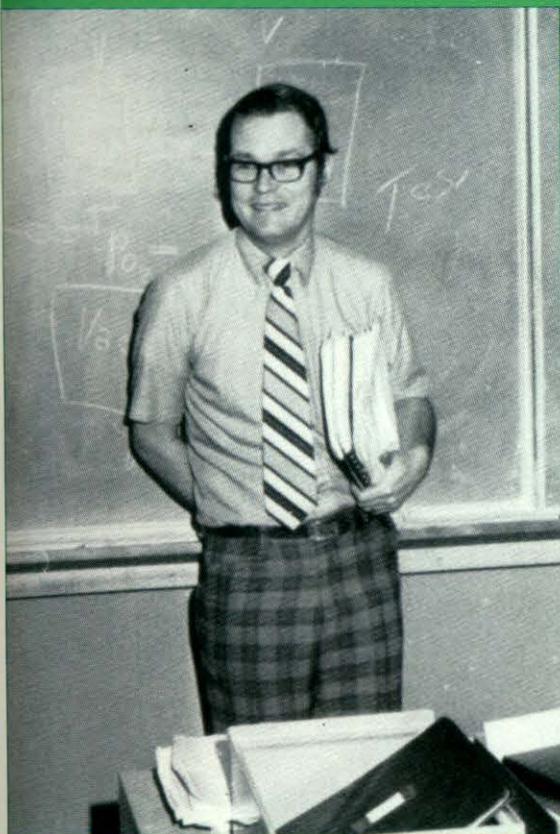

~Kim
Vandenbulcke

"Mr. Tate was always a person who cared for you and respected you at all times. His teaching was hard, but it helped. He always gave you the determination to press on."

~Jon Morris

"Mr. Tate is one of the most extraordinary and gifted teachers whom I've had the privilege to teach with. He is also one of the finest human beings."

~Mr. Sherwood

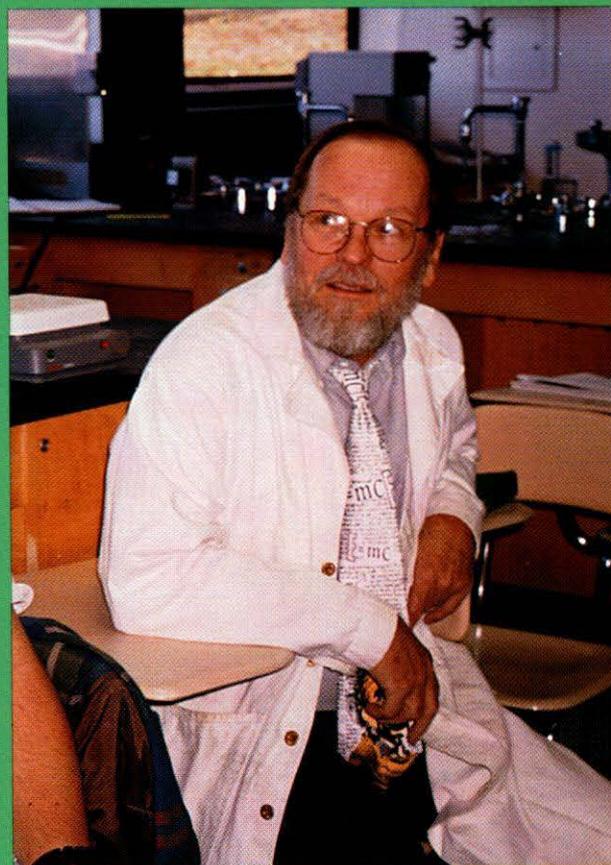

"Although I have never had Mr. Tate as a teacher, I have a lot of respect and admiration for him. I often ask him for advice, and he is always willing to give it."

~Siana
Muhammad

"It's teachers like Mr. Tate that keep students motivated."

~Allison

A Night Under the Stars

The front walkway was aglow with lanterns marking the path to the junior cotillion. Through the doors were found friends talking and laughing together and tables featuring a wide array of delicacies, including punch and chocolate-covered strawberries. Balloons that rose from tables covered with tiny stars greeted the class of 1998 and enticed them to go further into the magical evening awaiting them. To get to the dancefloor, the students had to first pass through a mystical tunnel full of glimmering stars and a refreshing breeze from a portable fan. The Class Representatives worked hard to create a magical event that would leave a lasting impression on the class of 1998. It worked, and this year's seniors will always remember their "Night Under the Stars."

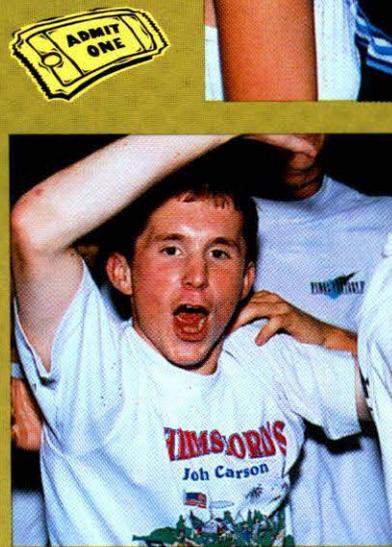

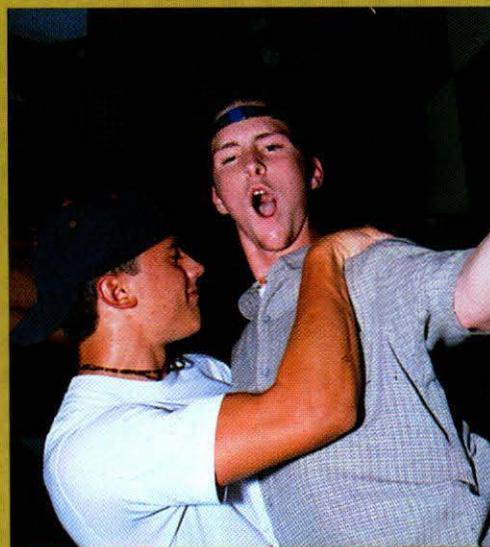

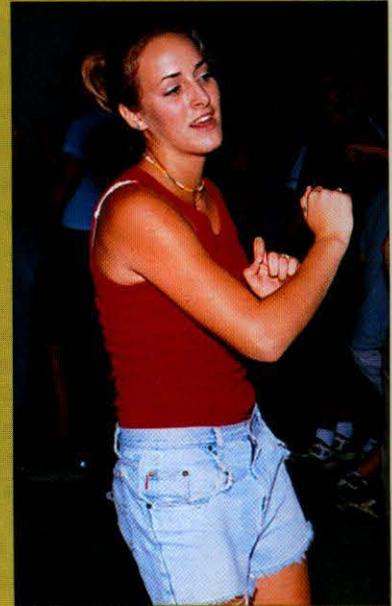

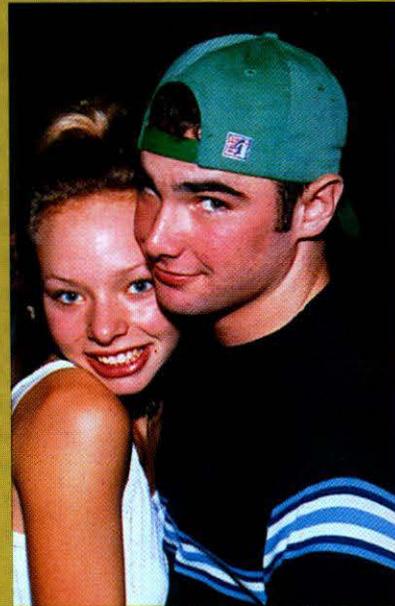

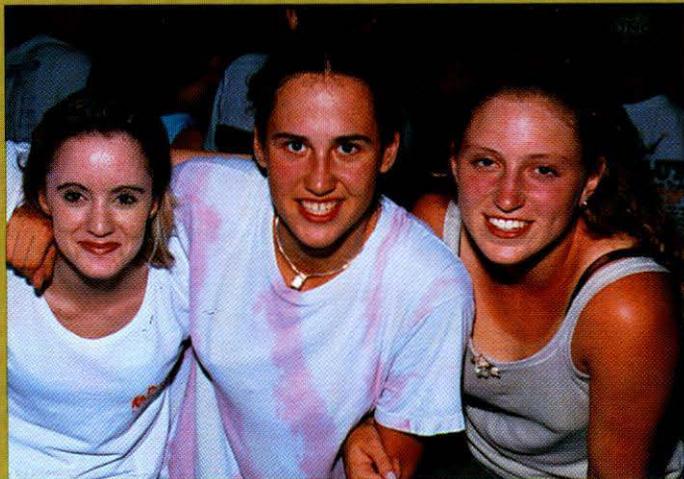

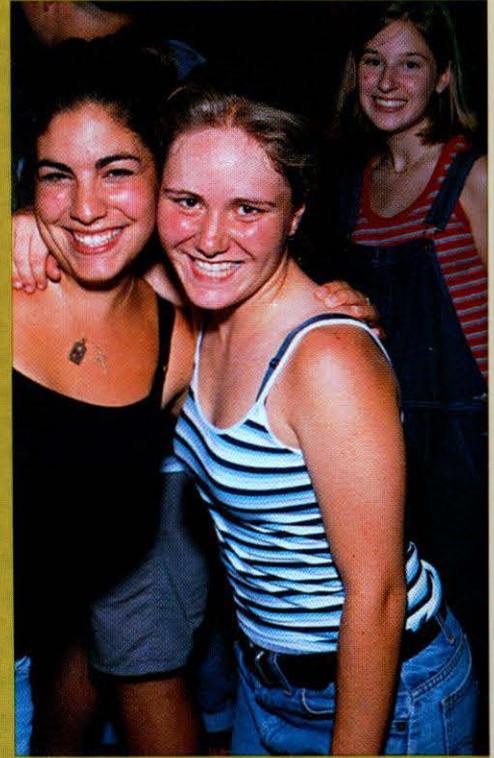

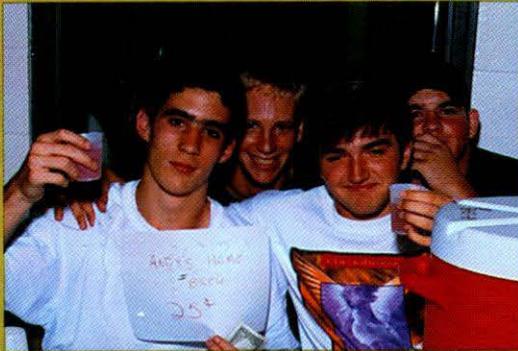

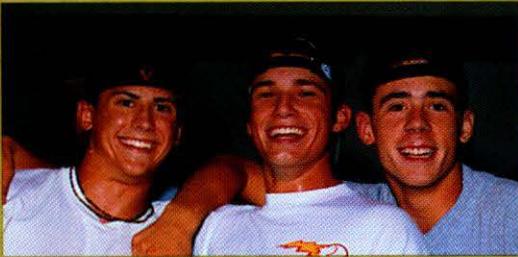

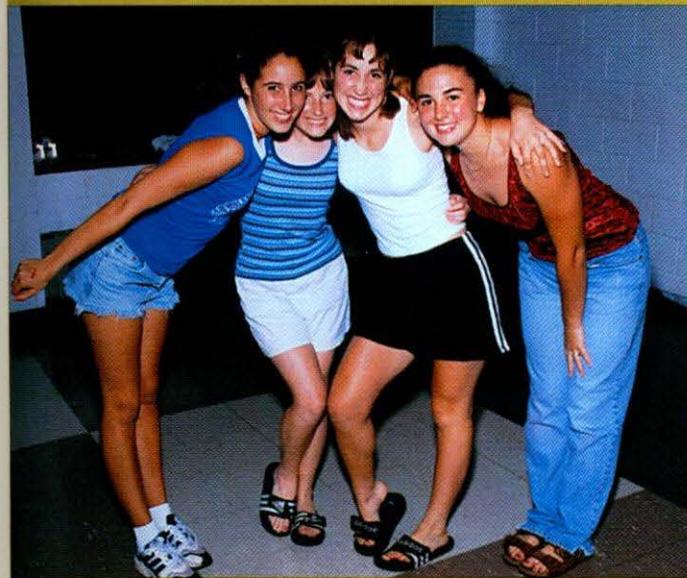

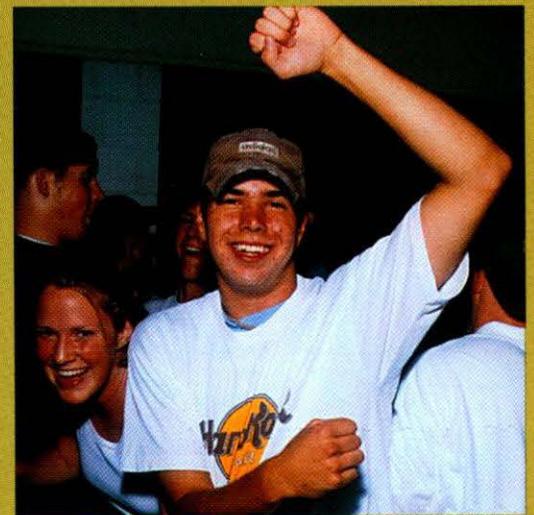

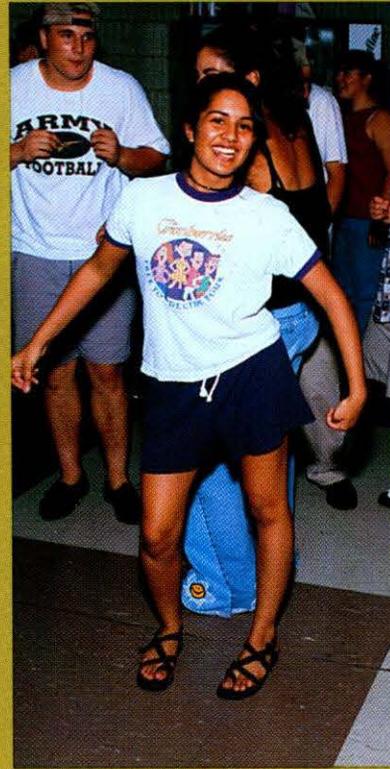

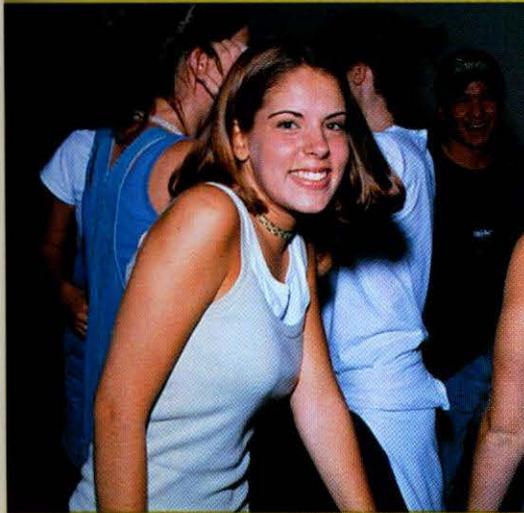

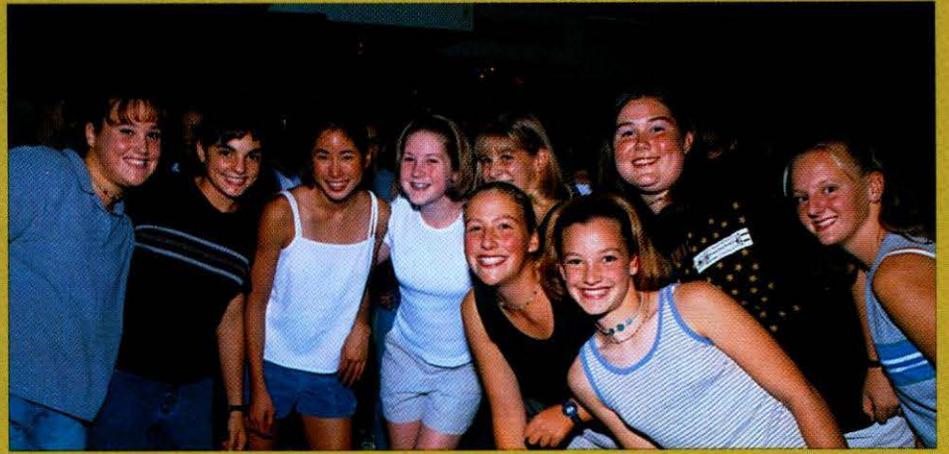

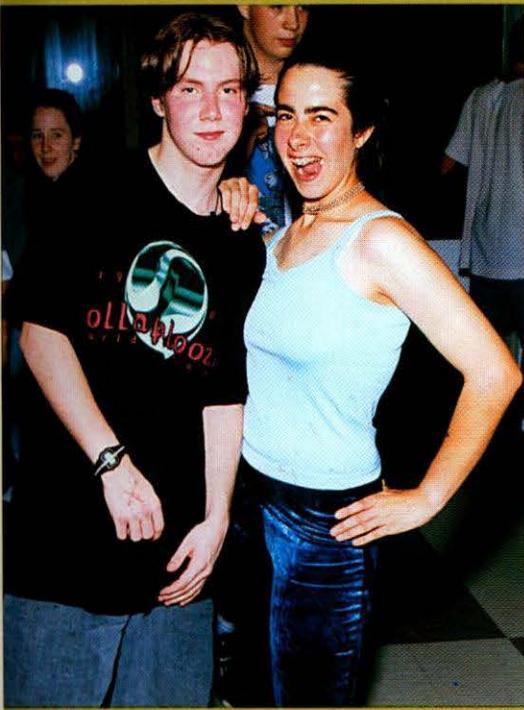

MORP

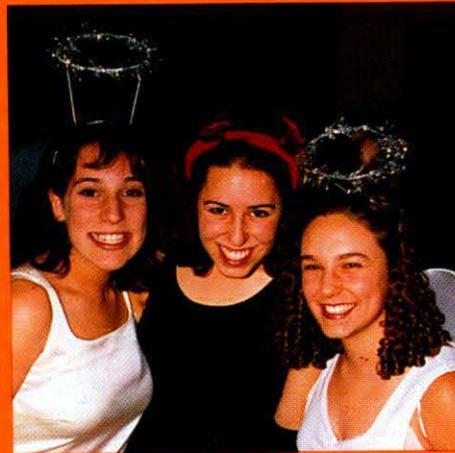

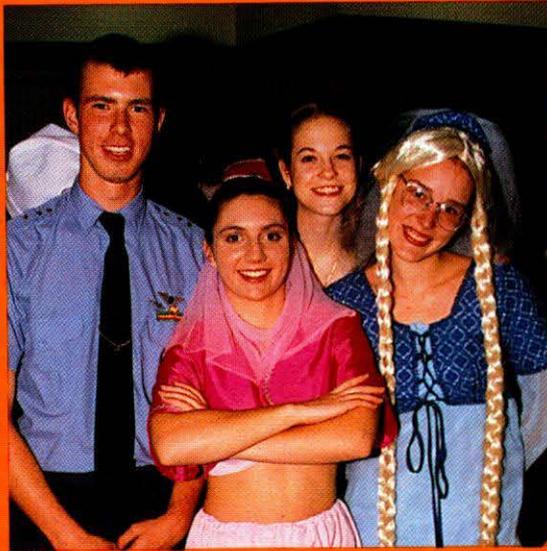

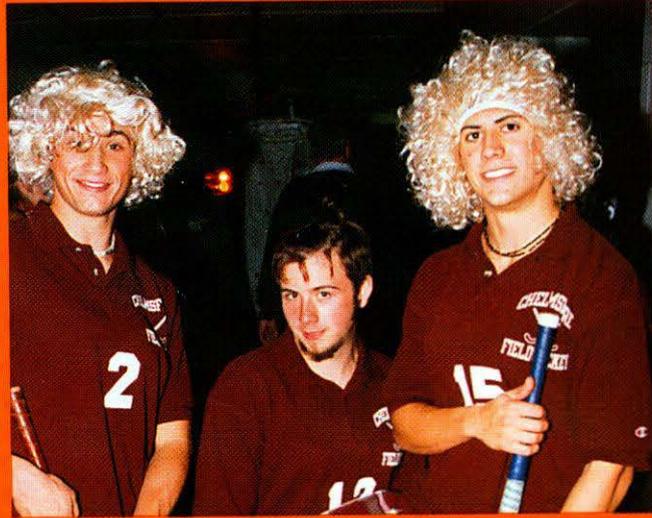

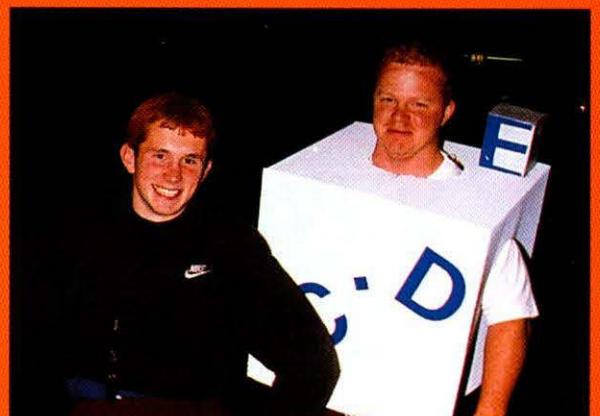

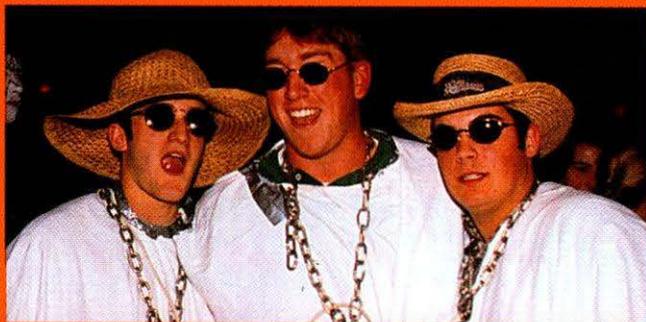

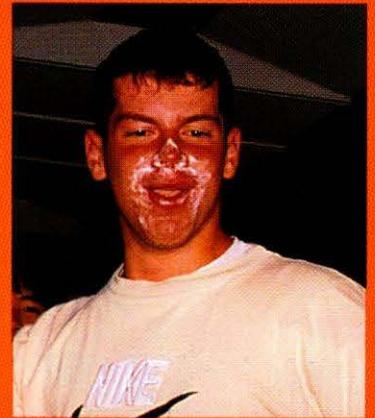

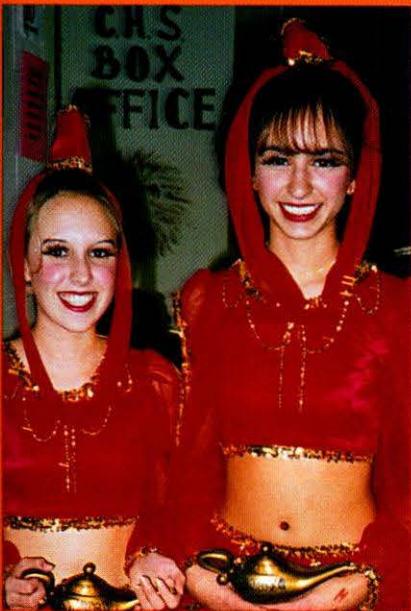

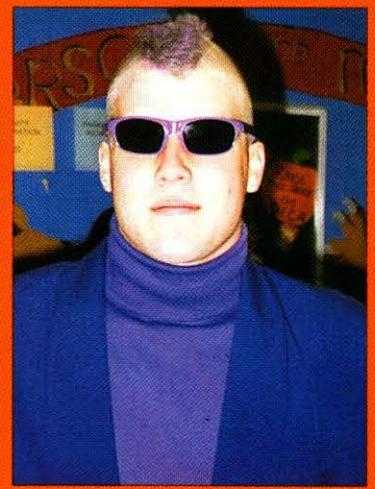

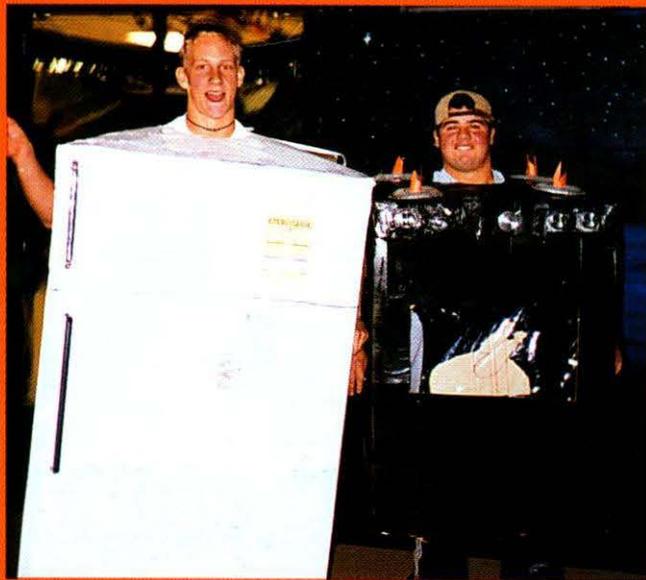

As the year got off to a rolling start and the stars began to adjust to their new roles, a much needed "take-five" was provided. On Saturday, September 13, 1997, the usually-quiet set was alive with action. Partying the night away, the cast of CHS was able to step out of their costumes and makeup and forget about work and school, even if only for a few hours.

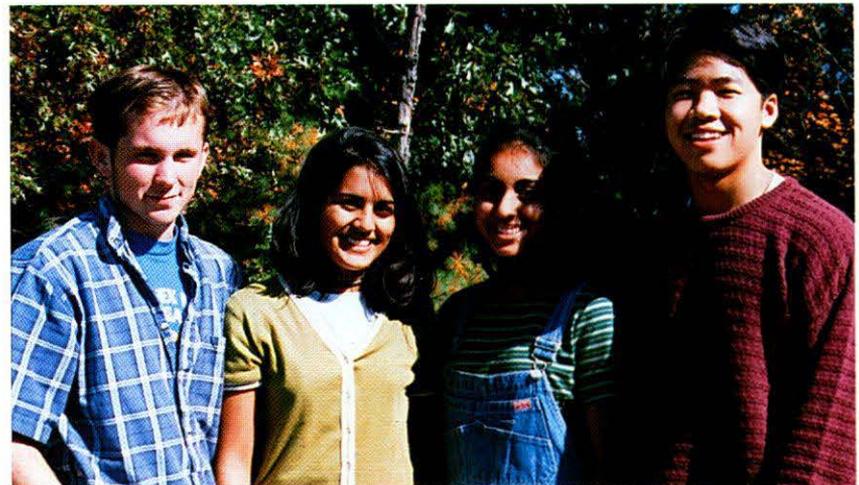

HALLOWEEN DANCE

On the night of October 25, 1997, the set of Chelmsford High was transformed into a haunted house. The leading actors wiped off make-up and costumes from the school day set and donned outfits of a different sort. While Chelmsford's own Kiss band played, field hockey boys partied with the two Mr. Gallaghers (as if one wasn't enough!) and a retro-guy from the 70's was declared the orange-jello superstar. When the night was over, the actors shed their costumes and the scene was once again that of a high schools.

CLASS OFFICERS AND ADVISORS

Dear Class of 1998,

We made it. It is all over. We have finally come to the end of our careers at CHS. As I close the book on these last four years of my life, I am struck with feelings of expectation over what lies ahead and with satisfaction over what we are leaving behind. We are the Class of 1998, and now it is our turn to leave CHS and to continue paving our way through the rest of our lives. CHS has been one incredible experience that will forever be embedded in our hearts and minds. Never will we forget the lessons we have learned nor the people we have met.

I would like to extend my deepest thanks to our Class Advisors--Mr. Gallagher and Ms. Mower, the Class Officers--Jeff Gallant, Reena Shah, and Ameer Shah, and the Class Representatives, and to you, the Class of 1998. I feel honored to have been the president and a member of such a wonderful group of people. You, the Class of 1998, have made this year what it is and always will be. I hope you leave CHS with as fond memories as I do, and I wish you the best of luck and success in all that you aspire to do.

To the rest of our lives,

John Ho
President, Class of 1998

Dear Class of 1998,

Being the vice-president of the Class of 1998 was an honor that I want to thank everyone for letting me have. I will always remember how united our class was, whether in a pep rally, fund raiser, or a random dance. I enjoyed all the memorable times. I want to specifically say that Mr. Gallagher and Ms. Mower led the way; John had the creativity and influence that made us strong; Jeff counted all the pennies to success; Reena wrote all the memories down; the Class Representatives had an everlasting spirit. I hope you all believe that your individual contributions are what made our class so unique!! Have a blast, stay successful, and be optimistic about the future. And before you go, do you guys want a band or a dj for the reunion?

Thanks again!

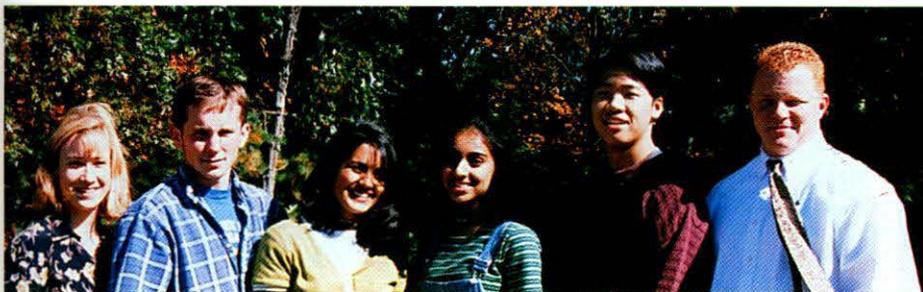

Ameer Shah
Vice-President, Class of 1998

Dear Class of 1998,

Our years in high school mark a very important time in our lives. I am sure everyone will agree that the person walking out of here is very different from the one who entered four years ago. I want to thank the members of the Class of 1998, especially the class reps, for your unbelievable enthusiasm and spirit that was the main reason for our class' success. We are so lucky CHS has given us the opportunity to meet extraordinary people like Mr. Gallagher and Ms. Mower. Words cannot express what these people have done for us as a group and individually. I wish you tremendous success in the future.

Have fun,

Jeffrey Gallant
Treasurer, Class of 1998

Dear Class of 1998,

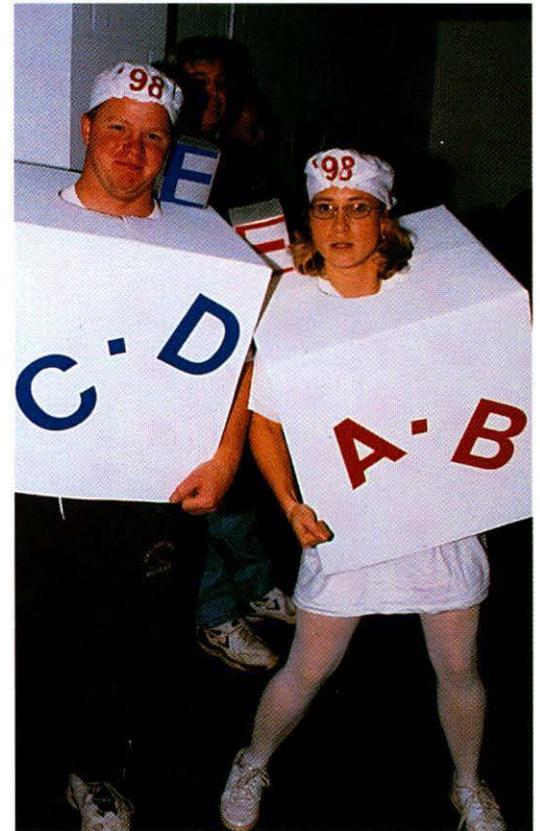

Our graduation from Chelmsford High signifies a turning point in our lives. It is the point at which we leave the secure nest of high school and home and venture out on different paths to build our lives. As we begin our journey of independence with both eagerness and uncertainty it is comforting for us to remember that the education we have received and experiences we have had at CHS will always remain with us to guide us in the future.

The world is at your fingertips, waiting for you to make a difference:

"Be bold. If you're going to make an error, make a doozy, and don't be afraid to hit the ball." -Billie Jean King

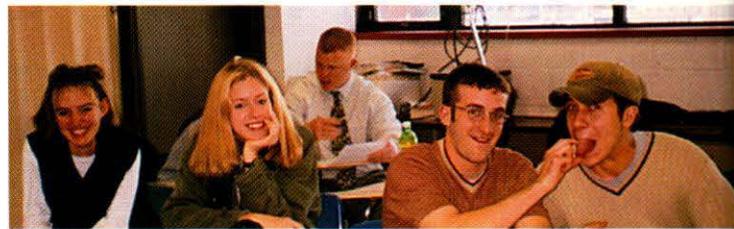

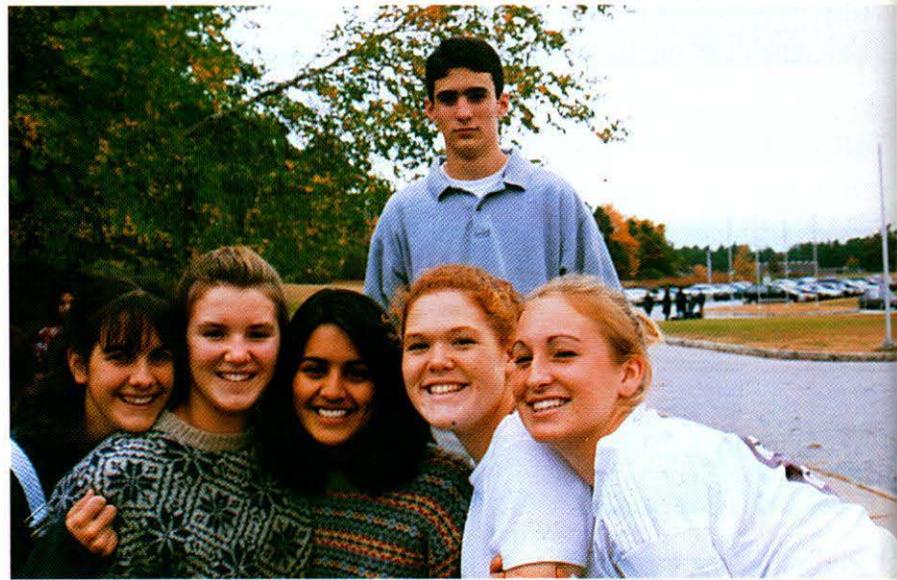

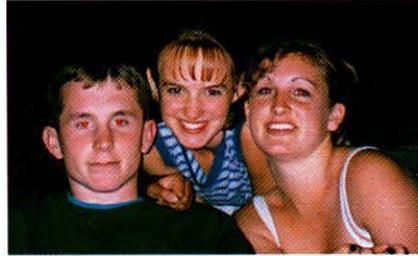

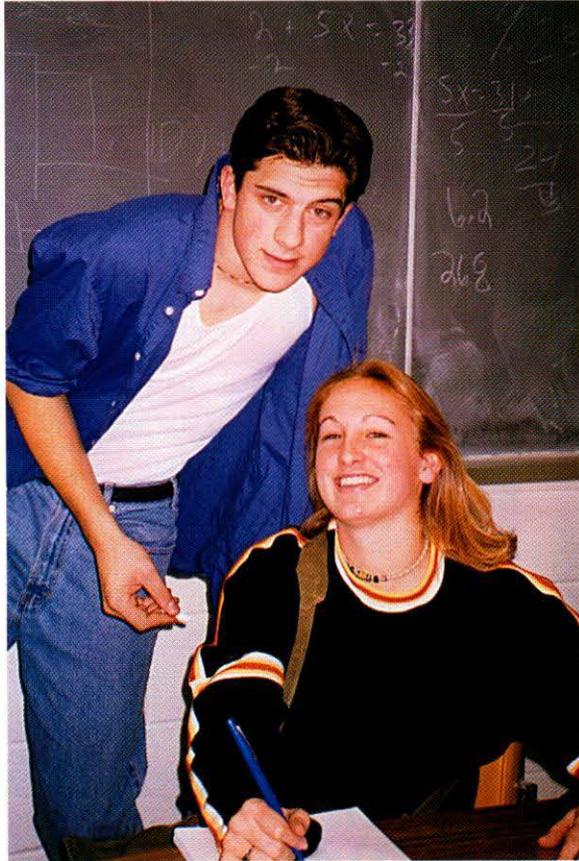

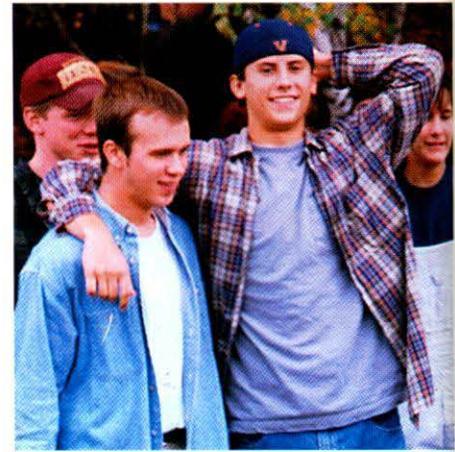

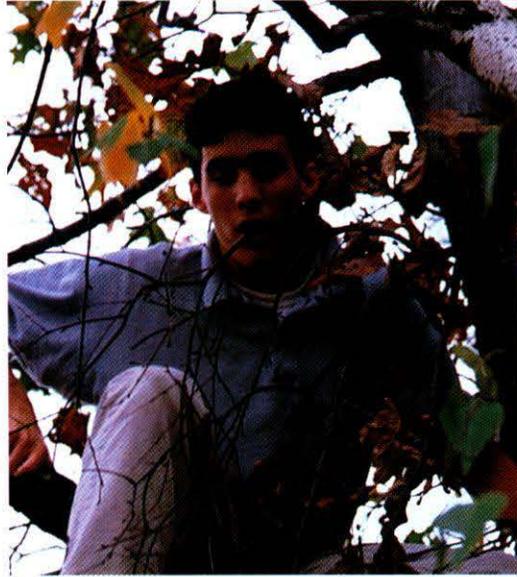

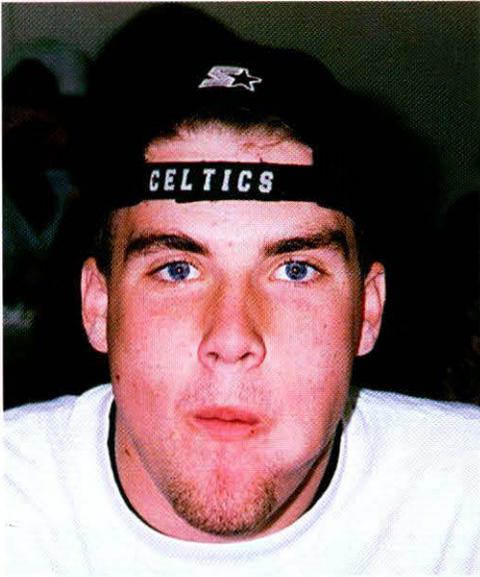

I wish you all health, happiness, and best wishes for the future. Good luck, Class of '98!

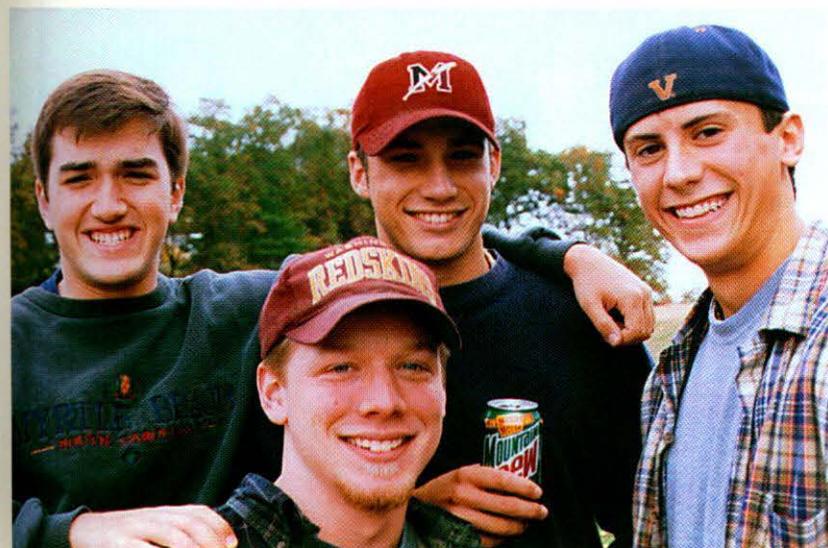

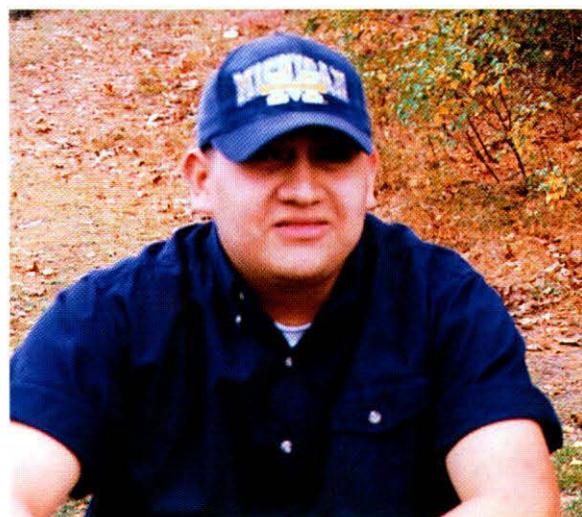

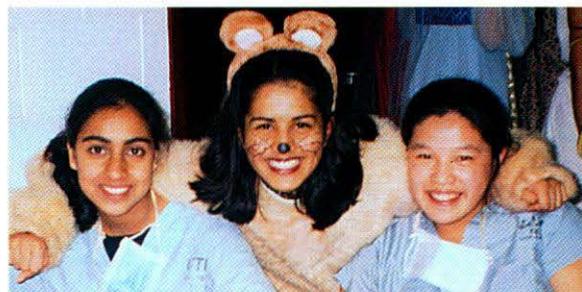

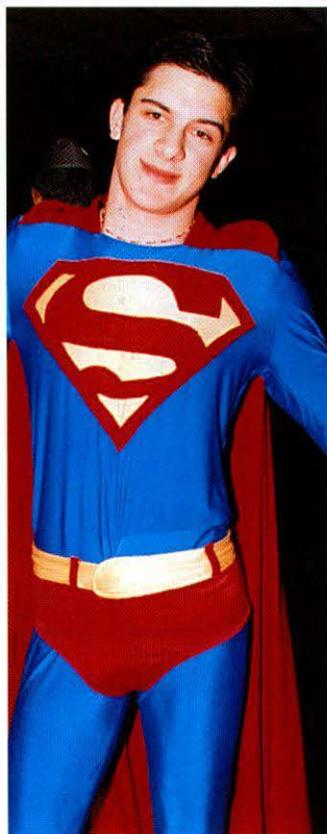

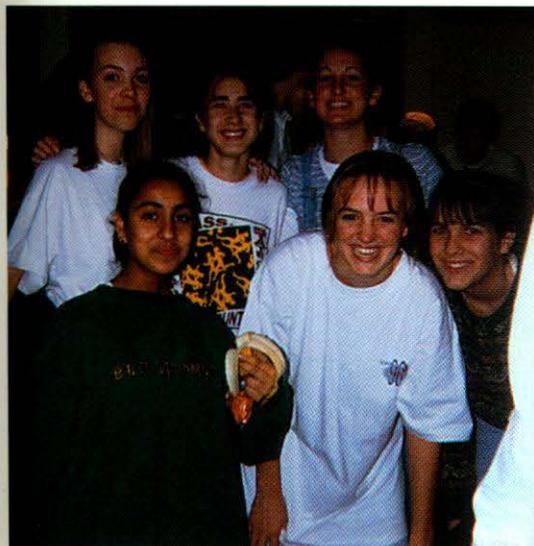

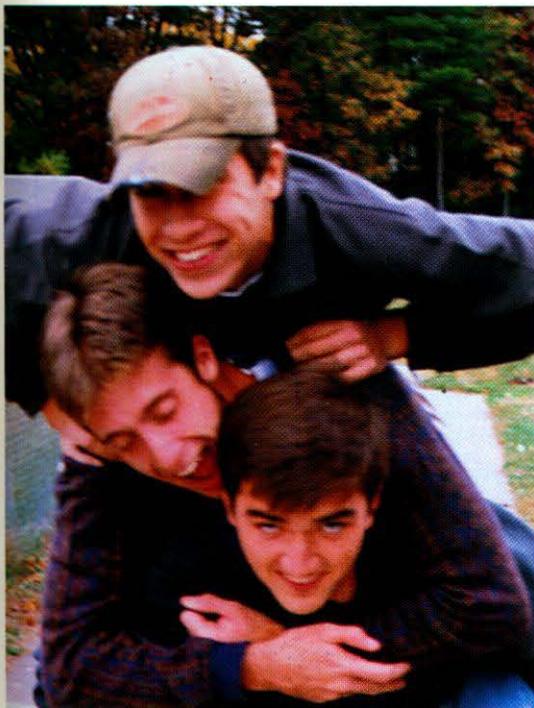

Reena S. Shah
Secretary, Class of 1998

THANK YOU, MS. MOWER AND MR. GALLAGHER!

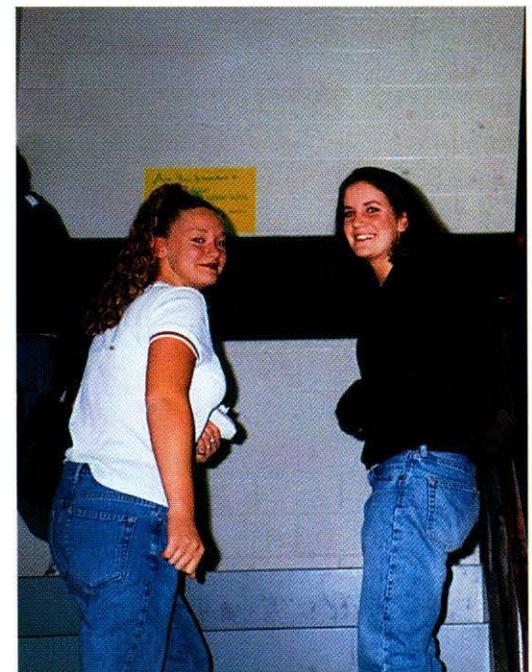

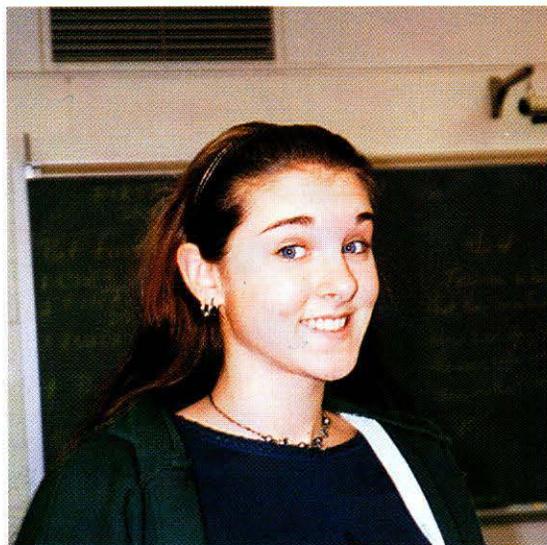

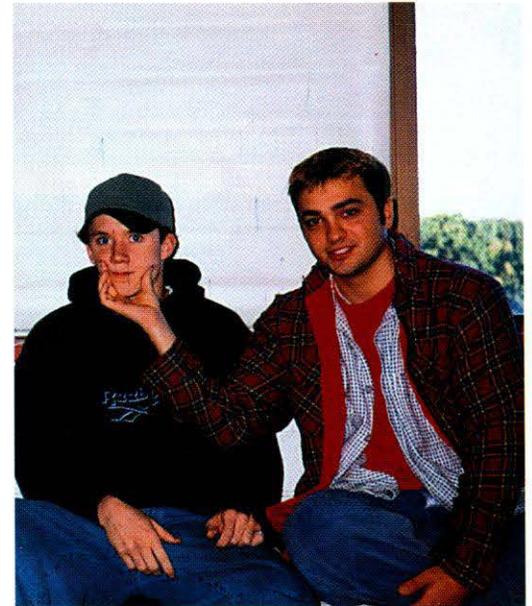

CLASS REPRESENTATIVES

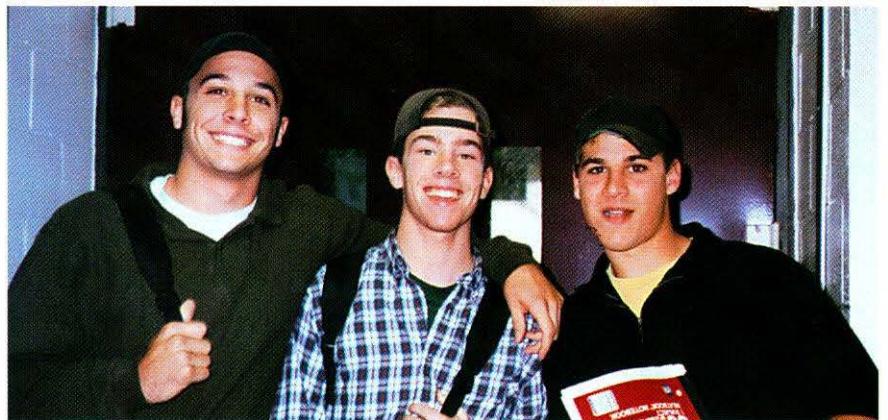

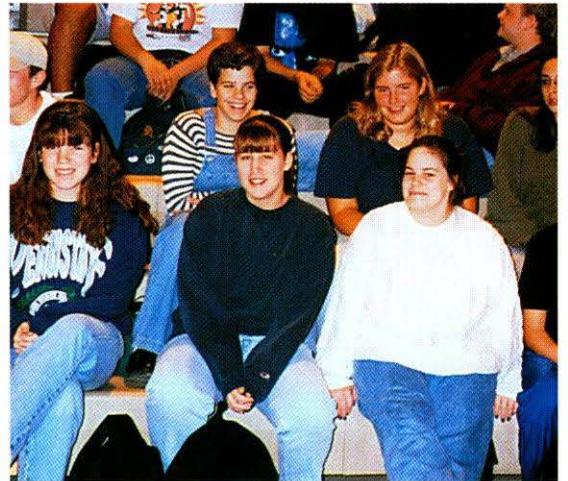

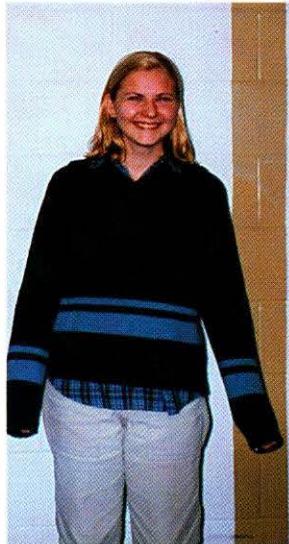

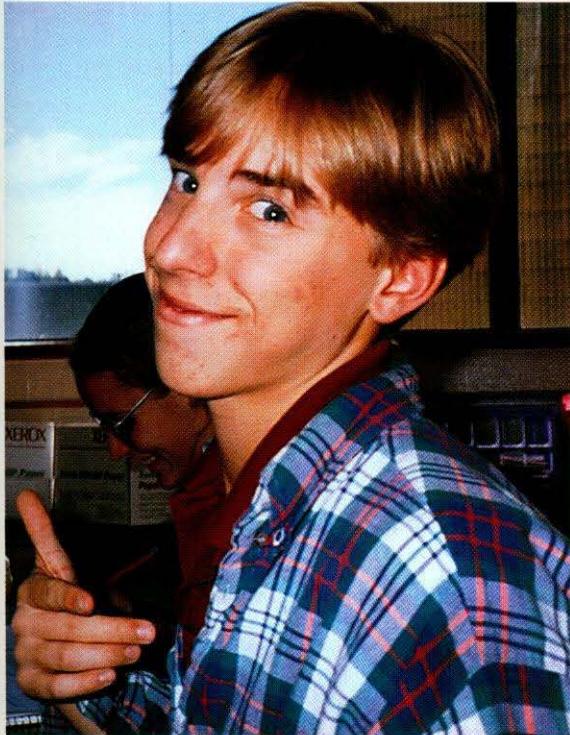

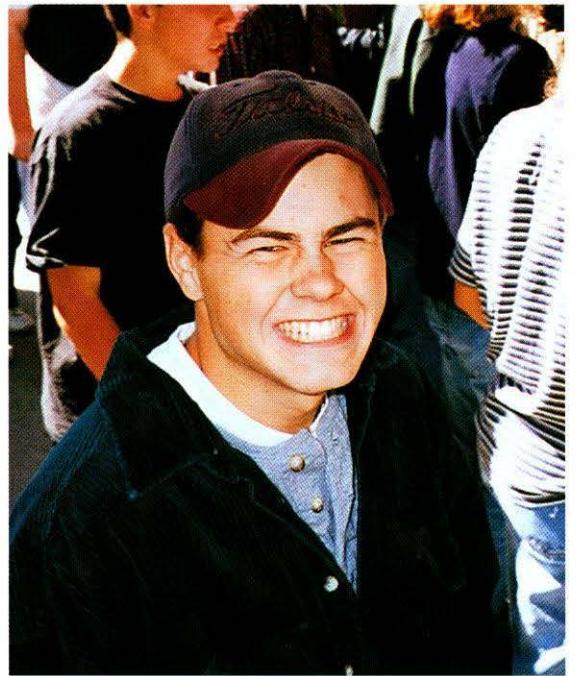

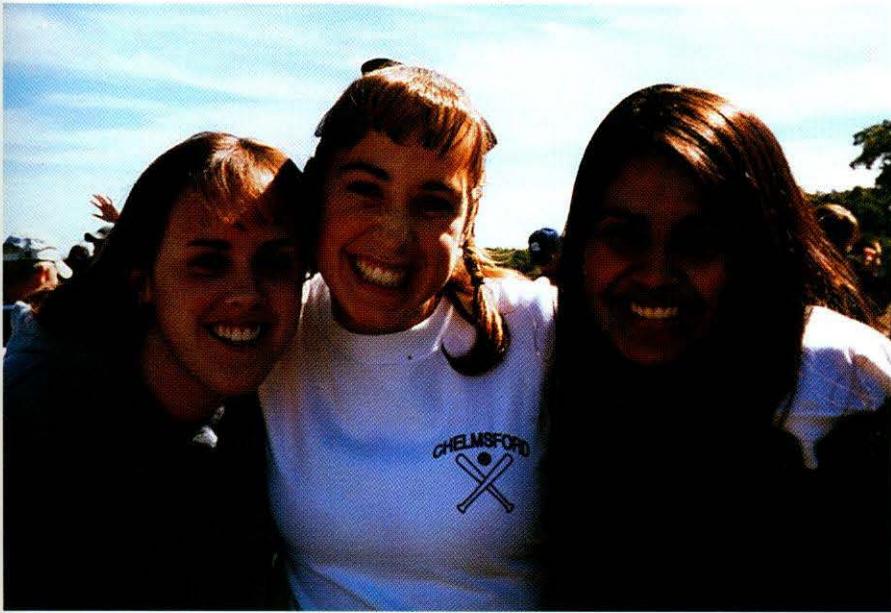

Over the past four years the representatives from the class of 1998 have grown not only in size, but in maturity, involvement, and spirit. We began as a select few spending late nights in the school in an effort to become a part of the high school experience. We sit now not in a group of four or five, but twenty, and watch as different people with different ideas compromise and lead our class together. This class has seen a new principal and deans, the deaths of three staff members and a student, and a drastic change in the schedule. Over time and with devotion, we began to see our class coming together as one. It is crucial to get involved and stay active. Beyond helping your class you will bond new friendships and experience new things. This is what our class reps have worked for and recently we have realized this is what the true high school experience is all about.

Thanks for the memories,
The Class of 1998 Representatives

MOST STRESSED

For her devotion to teaching, her belief in us, and her enthusiasm, *The 1998 Lion* would like to present Ms. Melody Michopoulos with an . . .

HONORARY ACADEMY AWARD.

"When you look
at the sky
In one of the stars
I shall be living
In one of them
I shall be laughing
And so it will be
as if all the stars
were laughing."

~*The Little Prince*

Antoine de Saint-Exupery

"Quand tu regarderas le ciel, la nuit,
Puisque j'habiterai dans l'une d'elles
Puisque je rirai dans l'une d'elles,
Alors ce sera pour toi comme si riaient toutes les étoiles
Tu auras, toi, des étoiles qui savent rire!"

~*Le Petit Prince*

Antoine de Saint-Exupery

Ms. Michopoulos was a supporting and caring director on the set of Chelmsford High School. Though she passed away over a year ago, we have not forgotten her. She has made an imprint on our lives that will never be changed. Her profound impact can still be felt today, and the little lessons of life that she taught will remain in us forever. She deserves recognition in *The 1998 Lion* because she has influenced so many of us. Her memory lives on today, and it will continue to be played out in the lives of all her students.

"Although a year has nearly passed my thoughts are as fresh as yesterday--our chats of laughter and disappointments that life throws our way, our summer escapades when we were young.

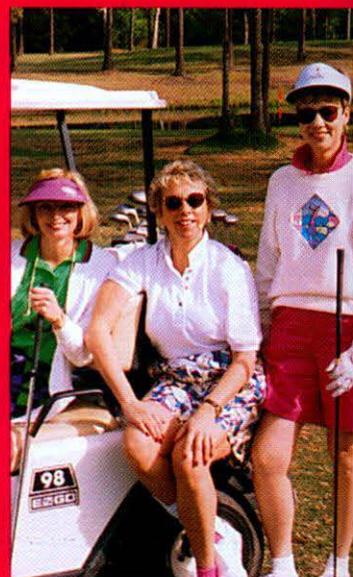

Ton copain,
Monsieur Siragusa

"Her love and zest for life enriched ours. Not only was she our teacher, but she was a counselor, a mentor, and a friend. She put her personality into the language and made it enjoyable."

~Joshua Foster

"Ms. Michopoulos was a gem sparkling with the light of life. Her brilliance will never die."

~Katie Gulde

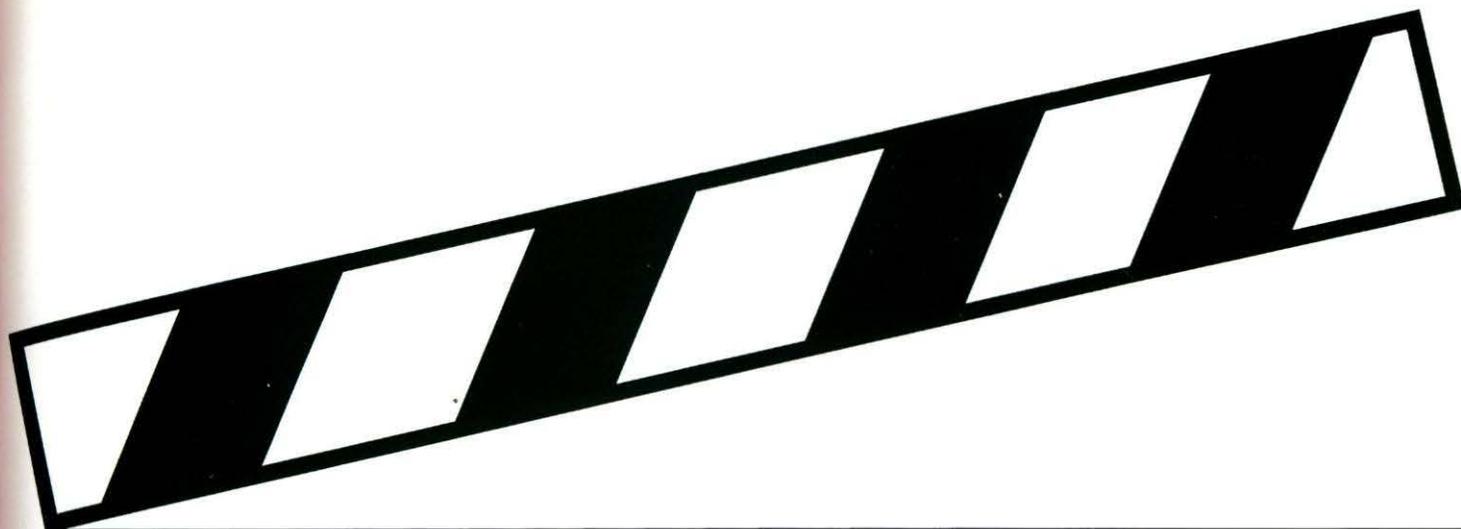

"Although Ms. Michopoulos' absence makes each of our lives less complete and less joyous, we are truly grateful and blessed that she is and always will be a part of our memories, our lives, and our happiness.

~Dean Jeffrey Doherty

"Ms. Michopoulos taught us to love life. She demonstrated an enthusiasm for each day. We miss her sense of humor but keep her spirit alive by sharing our talents in helping others to enjoy their lives."

~Principal Stephen Meidell

SPIRIT WEEK

As Thanksgiving approached, the actors of Chelmsford High scrambled to bring in the most cans and pennies, wear the most amounts of random clothing, and design the best wall mural. The leading actors proved themselves worthy of their role as they claimed first place in almost every event. To top off the week, the entire CHS cast united in spirit yelling and screaming to support all the stunt doubles and proclaim the Chelmsford set to be the best set around.

Mistletoe Magic

Chelmsford High School actors of all ages arrived at the Holiday Dance to relax, dance, and enjoy their break from a long season of performing. They were dressed in their finest and succumbed to the excited mood emanating from the DJ's speakers and the voices and laughter of their own friends. The night was filled with food, cameras, music and fun. It was a magical night that few could forget.

In Memory of Billy Taylor

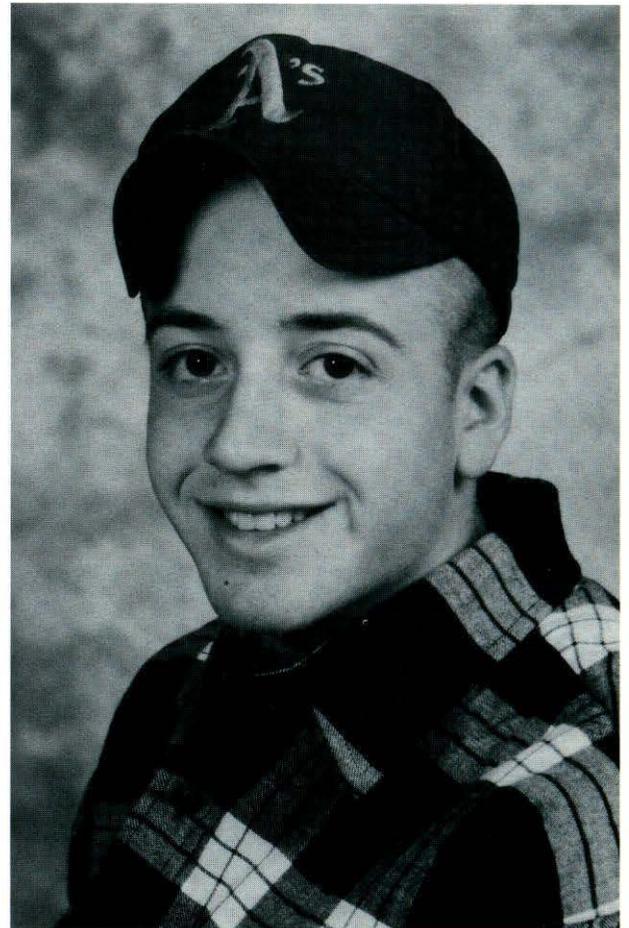

Billy Taylor was one who was loved by so many. His kind soul touched everyone's heart in different and special ways. Not one day passes that we are not reminded of his glowing personality and caring and generous ways. We will always remember Billy Taylor.

We will remember his sparkling smile that lit up our lives, the twinkle in his eyes that let us know how happy he always was, the scent of his Nautica cologne that trailed behind him as he walked by, or the one remark he would always answer with: "...WHAT?" We will always remember Billy Taylor.

Billy was known in many different ways, whether he was a boyfriend, a best friend, a brother, a son, or just an acquaintance. He was generous in driving his friends to their destinations as if he was Billy the Chauffeur, or taking in friends for the night to take them away from their troubles. Most of all, Billy was fun to lounge and hang out with. We will always remember Billy Taylor.

The way he told his stories, or even just chatting with him, would always leave us in suspense or puzzled. He was the only one that understood the point he was making. This is only a brief remembrance of our dear friend. These words could never fully capture the love and feelings we have for Billy. You are forever missed, B.T. We will always remember Billy Taylor.

GOLF

The 1997 golf team was full of young golfers who lacked much-needed experience but had an overabundance of hidden golf skill. The team held their own in a very tough league, finishing with a 7-9 record, coming within strokes of qualifying for the State tournament. Many of our golfers had never played with one another, but we came together as a team, always pulling for one another. Despite losing five Seniors, next year's golf team looks very promising with the likes of Steve Finneral, Mikey Carnes, Adam McCusker, and Jamie "Troy O" Leary. The golf team would also like to thank Coach Gerry Fitzgerald for his Unique and Brilliant Style of coaching.

BOYS' SOCCER

Coming into the fall of 97 soccer season, the Chelmsford High School Varsity soccer team quickly set one goal-to make the tournament. In the past two years that goal has unfortunately slipped through the team's fingers, but this fall the determination of every player rose above the norm in order to be a leading contender in the MVC.

The season started on somewhat of a bad note due to a lack of confidence in many of the positions on the field. As the season carried on the team faced both victories as well as defeats, which all led up to the very last game of the season against Methuen. The team had to get a tie to make the tournament and ended up walking away with the win.

GIRLS' SOCCER

The 1997 season was once again not as successful as we had hoped. Of course, winning isn't everything, and there was never a dull moment. Our season started with a little team bonding on our mystery trip to Salisbury. There it became evident that our personalities would work together just fine. Our sense of humor may have been the only thing that got us through our grueling four hour practices. But "shagging balls" was always a good time as was our annual trick that we play on our coach.

Unbelievably, we even managed to practice hard while we were having fun. Our record may not have reflected the work we put in, but it became evident at several points during the season.

It was obvious from day one that our team possessed a chemistry unique in such a young squad. Despite the range of age, our team had the ability to connect and make a great team both on and off the field. Although it was a little disappointing to see our team fall short so many times, our coach uplifted our spirits. The sportsmanship award that our team won was also an incentive for all the work we had done. Though we were not blessed with triumph this year, we know that such a young team will prosper in years to come. Thanks to Coach for all she's done, and good luck to next year's girls!

GIRLS' SWIMMING & DIVING

How ya gonna swim??...
 How ya gonna pull??...
 How ya gonna dive??...

The 1997 Chelmsford High Girls' swim team, led by captains Allison Buckley and Jess Loyer, had yet another successful season. The Lady Lions were MVC champs for the third year in a row and had only one loss to power house Acton Boxboro. Coaches Lisa Galpin, Harriet Kinnett, Kathy Howe, Andrea Skirven, and Karen Woefel kept the girls "wiggling" throughout the entire season. Through the hard work and determination of every swimmer and diver, numerous school records were broken along with a state record in the 200 free relay.

We would like to thank all of the girls for making our last year so memorable. Never forget Ride the snake, Pamela, "Girls, look at the time!", "Emily Passer", mooning AB, tye dye party, "Call of the Wild Car Wash", the Snickers trick, the Kinnett "challenge sets", the busride, and shaghetti dinners. Good luck next year and remember NO FLASH PHOTOGRAPHY!

We had another exceptional season this year. We went undefeated for the second straight year and qualified for the All-State Meet where we took seventh place. The CHS boys' cross country team was led by tri-captains Jason Andrews, Mike Curran, and Kevin Curtin, who capped off their senior year with a bang. All seven members of the varsity team received an All-conference or All-Star selection. GIRLS' CROSS COUNTRY

"Just Run" we said was the thing to do
 This helped us to another great season of eight and two.
 The season's over; we'll go our separate ways
 But never will we forget the days
 Of T.P. wars and hill workouts
 "More is better!" Keith would shout
 Stacia, Jen, and Amy--the proud captains
 Of 21 runners and 21 friends
 Each practice we had was so much fun
 Everyone on the team belonged in Group 1
 Our times kept improving, Ivers upped her pace
 Once Alicia got out of her slacking mode
 No longer was there a hill on North Road
 Smiles were recieved from Happy Jack
 Easy days came and Tremblay led the pack
 Holly, Crocker, and Chelsea worked hard each week
 To help extend our winning streak
 Danielle wore Nike; Kristen wore Adidas
 They made it hard for the teams to beat us
 Amanda and Andrea, we couldn't tell them apart
 Elizabeth is the runner with the biggest heart
 Montana is our favorite state, you know
 We know Pajer will put on another great show
 Kristi's bookeeping kept the coaches sane
 Stoner's tough, she fought through the pain
 To the freshman--Have no fear
 We're sure to beat Tewksbury at least once next year
 Some final words before we say goodbye
 Glory dwells there so you better aim high

Thanks for all the swinging times!

Our 1997 season started off great.
 We made it through doubles; no one was late.
 Up to the Brewster tourney where we won it all,
 Our solid defense never missed a ball.
 the mid-field players always stayed strong,
 This contributed to our victory song.
 The forward line scored lots every game,
 We stayed Number 1, proud of our name.
 We beat our rivals twice in one year,
 We left the Tigers crying in fear.

There are many outstanding individual accomplishments to be proud of this season, but more commendable is the true sense of team unity which has carried on through every camp, every practice, and every game over the years. This truly is a group which has been through it all and stuck together, forging a sense of team pride unparalleled by any other in the M.V.C. From Bonamego to Billerica, this year was one of ups and downs, but fortunately, everyone involved can look back on it knowing that they always gave their best, and any man can be proud of that... Lions Pride.

CHEERLEADING

"Obstacles are those things we see when we take our eyes off our goals."

We all knew the '97 season wasn't going to be easy. With only five people returning from last year, we had to start out with a brand-new squad and a new coach, Kristin Thomas.

After looking back to the first day, I realize that we have come a long way. We have had our share of injuries and we have been through everything imaginable but still managed to pull together as a team.

This season was a lot of fun. You guys are the best, and I'm looking forward to one more year of it. I can honestly say that we owe it all to Lance and Cecilio, and of course the crowd. Thanks for the fruit!! :)

We are the 13 girls of color guard

 "Estancia", "97", "Best of Times"
 Melissa with her unifying spirit
 From Jaime's voice you'll definitely hear it
 In the stands Laura does dance
 Chrissie always carried in our sweatshirt and pants
 All the bus rides to away games

 Night practices became a bore
 However, games we wanted more and more
 Emily always gave a helping hand
 Nichole despised a member in the band
 We are sad to see the season end
 To the future squad our wisdom we'll lend.

Thanks for an awesome season. Each of you made it special. The memories will be with us for a lifetime. Good luck next year! Thanks, Mrs. Dunn, without you we would be lost. We love you all!

SKIING

The Girls' team had quite a year
 Full of fun and great skiers.
 The season started off with a roar,
 Coach Dick couldn't have asked for more
 With Lindsay in first and Wu in top ten
 And the superstalkers Kate & Jenn.
 Dyanna's first year was such a success,
 Who would have known she'd be one of the
 best?

Salvucci moved into the number four spot.
 We had fun despite losing a lot.
 Our greatest triumph was getting third place,
 And everyone skied their best in their race.
 Lindsay and Steph made it to states
 And Kate and Jenn went to keep gates.
 All in all we had our fun,
 Did some skiing,
 Had a few good runs,
 It was an excellent year for the whole team,
 And it went by faster than we dreamed.
 Thanks to all those that skied.
 We hope next year you have more speed.

BOYS' BASKETBALL

This year's basketball team would like to start by thanking all of the fans who made this year so exciting.

Our year started with a pre-season trip to Worcester. It was hectic as most people were in temporary positions till we got settled down. We ended with a successful trip going 2-0. Then the real season started and we got key wins over St. John's Prep and Haverhill (twice). This got us off on a high note which we carried throughout the entire season. Our most exciting win off the season. As most of you may remember, was our two point win over St. John's in the MIAA State Tournament where the game was not only won on the floor, but also in the stands. Hero Namoo So got carried off the court as we registered our first tourney victory in 11 years. Our Cinderella season came to a dramatic conclusion with a heartbreaking, 2 point, overtime loss to a Cambridge team with only one prior loss.

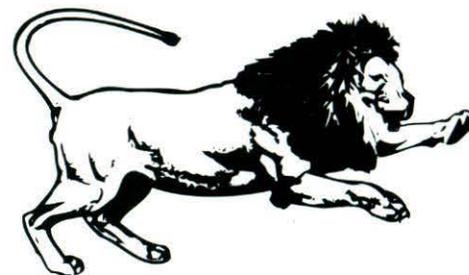

Our coaching staff of Coach Micol, Coach Whitney, Coach O'Keefe, Coach Sullivan and Coach Winn did an unbelievable job getting the team prepared to fill the endeavours of all of the parents who were at every game and knew how to throw a good party.

Finally we'd like to say good luck to Too Low, Segar Time, Hart, Adam, Z, Chem, Metz, and Chase.com. You'll need it! (J/K) Ummm Butta and all that fun stuff.

GIRLS' BASKETBALL

The CHS girls basketball team came into this season with high expectations. After ending the '97 season in the third round of the state tournament, the team figured that next year we would start at the point we left off. Unfortunately we were plagued by injuries and sickness and were unable to gel as a team. Despite some very close games that just didn't fall our way, our hard work and positive attitudes didn't die.

The team was led by senior tri-captains Colleen Mullen, Tiffany Trahan and Christina Chamberas. Seniors Stephanie Yee and Alison Dinneen set an example of commitment and hard work that was contagious to the rest of the team. Juniors Lauren Hanlon, Meredyth Merrill, Lis Drake, and Katie Turco were essential to our program and contributed to our success. Sophomore Pam Scott worked hard and impacted our team tremendously. Freshmen Kristen Dowling and Annie Metz prove that CHS girls basketball has a bright future. Thanks to our dedicated coach, Carol Mastacouris, who is responsible for all our success and pushed us all to become better players. Coach K, we are grateful for the bruises and Deb, the maniac manager, was our biggest supporter. Good luck next year, we'll miss you! Thanks for the memories.

BOYS' SWIMMING & DIVING

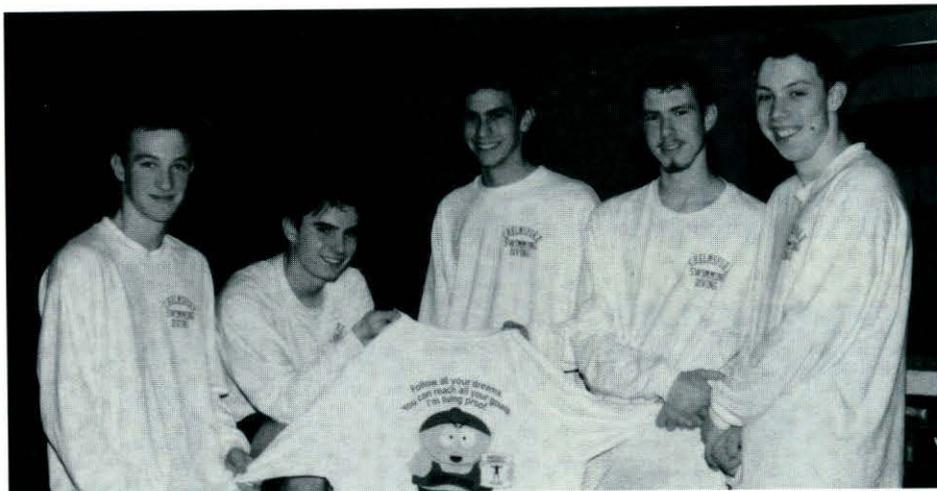

Congratulations to the boys' swim team on recapturing the MVC title. The team came off a tough season last year and rebounded to a strong 7-3 record. Our friendship coupled with our will to win and determination carried us through the hard times and helped us to reach our goals. The highlight of our season was our huge win over Nashua and the victory at the MVC meet.

Led by co-captains Dave Cecere and Josh Foster, the team persevered with strong spirit and camaraderie to a 2nd place finish at North Sectionals and a high place finish at the State Meet. The strength of our team came from the underclassmen. We expect a strong team to return next year and we are confident that the tradition of excellence will continue. The seniors would like to thank Mr. Benson, Karen, family and friends for their time and support. Most of all we would like to thank the team for all the good times and detritus that we will take with us forever.

GYMNASTICS

To all the CHS gymnasts:

Out of the four years that I have been on the team, I think that the 1997-1998 season was the best. When Catherine was hurt and couldn't compete in MVC's, we all pulled together and with teamwork took fifth place and made it to Sectionals. Jess and I are really grateful for making us your captains and we really enjoyed leading the team to Sectionals.

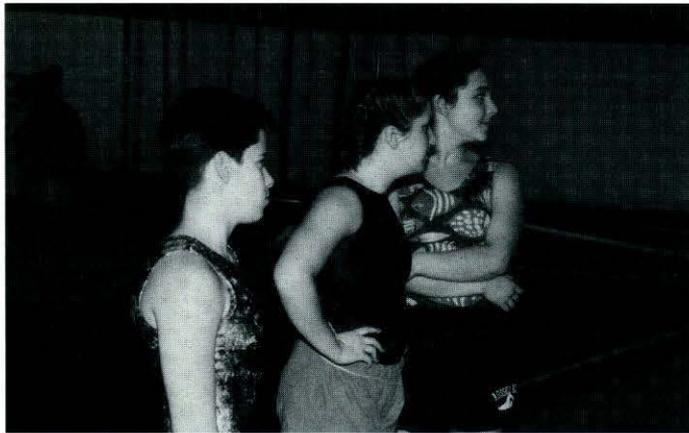

I know you all have great talent and I hope next year CHS will be the team to beat. With hard work and determination you will be able to do it. I want to wish you all good luck in the years to come. I will miss you all.

I want to take this opportunity to share with you that my last team captain gift to you is that I am going to make sure that Lisa and Miss Jill are back again and again until the freshmen graduate. Good Luck to everyone.

3rd Place MVC

This year's boys' track team has been the most successful in nine years. Our success can be attributed to not only to the number one athlete but to the others who grabbed the important second and third places. In the hurdles there was the powerful one... two... punch of Andy Martin and Sean Scanlon, who always rose to the occasion. The fifty yard dash was dominated by the heavily equipped Bruce Gauthier. Pat Long and Matt Makarewicz were a tough combination for any team to beat in the three hundred. In the six hundred it was Brian Gatti leading the charge with Matt Corata and Tim Brown close behind. Mike Curran and Bill Sheridan along with a convalescing Phil Coddair proved to be a trio too tough to tame in the one thousand. The mile and two mile were covered by Kevin Curtin and Sean McCarthy, two powerhouses in the MVC. Backing them up was future paratrooper Jason Andrews, the tenacious Clint Eastwood and the ever vigilant Jeff Gallant. Though we finished 6-1 after a crushing loss to Central, everyone on this team is a champion. We turned the team around from a 2-5 finish last year through superior work ethics and determination and I am proud to say I was part of this team.

Another season and another championship. The girls' indoor track team has captured another Merrimack Valley Conference Championship. This means four championships in a row for the seniors. Who says nobody's perfect? The track season of 1997-1998 came with lots of hard work and dedication from everyone on the team. The tough practices and workouts paid off in the end when we beat our toughest competition, Andover and Billerica, even with our doubts. Our four back to back MVC Championships and one loss in this decade led to an unprecedented record in any CHS sport this winter. However, this couldn't have been done without the guidance of our coaches or the strong leadership from the team's captains: Katie Dowling, Sheila Hindle, Kristi "Crutch" Williamson and Amy Beauchesne. The factor in reaching the seniors' goal of becoming champs for four straight years was the effort from every team member. The shotput trio scored the most valuable points to send the relay on its way. The relay team consisted of the usual star veterans Caitlin Klick, Keri Pajer, Cari Ivers and freshman Kate Thompson. So, it's been four years without a loss for the seniors. Let's keep the legacy alive for another year. There are plenty of talented underclassmen to come. With more talent every year, more success will come. Keep working hard and good luck!

HOCKEY

The CHS Varsity Hockey Team had a successful season. Although we did not win the MVC's or qualify for the Elite Eight, we plan to do well in the State Tournament. Throughout the year more and more kids improved and showed better leadership skills. We did have a "discipline problem" during the year but all in all it was good. We had very successful forwards who put some serious stats on the board, and we also had a defenseman Jason Ryan who broke the scoring title. The hockey team sent five players to the MVC/DCC All-Star game. These players included Jason Ryan, Bruce Linstad, Mike Curtis, Scott Trahan, and Tim McDonald. Three of them were selected to the All-Conference team. Although only five players were selected to the All-Star team, everyone has contributed a great amount. (Kevin McCarthy was the heart of the team.) Next season we hope to set our goals higher. We hope to win the MVC's and also make a second trip to the Fleet Center to compete in the Elite Eight Tournament.

Sincerely the Captains

WRESTLING

Although we were a very young team this year, we had a lot of great accomplishments. Several young kids stepped it up this year to get the job done. Coach Rich has been great, he really knows how to motivate us and train us for the big meets. Our biggest victory this season was the defeat of our arch-rival Billerica. That moment will stay in my mind forever. I'd like to congratulate all the wrestlers of the 97-98 season, and I wish good luck to the members of next years team.

END CREDITS

I would like to take this opportunity to extend my deepest thanks and appreciation to my fellow producers of *The 1998 Lion*. We had a new advisor as well as twenty new staff members who needed to learn the ropes. I was impressed with the effort and care put into each layout, picture, caption and piece of artwork.

My assistants, Euhwa Tran and Julie Wong, were my inspiration. Together we conquered the deadlines and laughed in the face of adversity. Together we faced the trials of human nature and found comic relief wherever we could.

I would like to thank the Activities editors, Melissa Faubert and Mary Ellen Kastrinakis, for working so well together and persevering through the trials and tribulations of disobedient computers. I would also like to thank Alison Buckley, Jill Gardner and Sara Weiner for their patience and effective layout of the Sports section. The Faculty duo of Annamarie Hawking and Jaime Koff was unbelievably precise in their work and accomplished everything with no complaints. The Underclass editors, Jenn Medeiros and Dorothy Wu, were very timely in the organization and layout of their pages.

I would also like to thank Bill Marcotte and Laura Azzalina for their effort in the Business section. They really came through for us when we needed them. Our three artists, Melissa Dickenson, Sean Scanlon and Samantha Melamed, deserve praise for their beautiful artistry and fitting of the yearbook theme into their work. The photographers, Penny Bruce and Beth Woisin, were very reliable and provided the entire staff with an abundance of pictures. General Staff, composed of Shannon Conrad, Sarah Glatt, Linda Nguyen, Sapna Shah and Meghan Palmer, stuck with it until the end, even when all seemed lost. Adrienne Camire was an essential member of our yearbook staff, helping with various different sections and keeping a smile on her face.

Above all else, I would like to thank our literary advisor, Mr. Brandon Eang, and our business advisor, Mrs. Mary Donovan. They let me run the yearbook production and staff the way I pleased, yet always helped when there were challenges whose solutions exceeded my capabilities.

Finally, I would like to give special thanks to students and faculty who made the yearbook process easier for us all: Mr. Meidell, Mr. Doherty, Mr. Comminos, Mr. Kamal, John the Computer Guy, Kristi Williamson, and Joyce Wong.
