Letters + Dedication

Why the vintage theme?

IN 1925, OUR SCHOOL PUBLISHED ITS VERY FIRST YEARBOOK. NOW, 100 YEARS LATER, WE'RE PROUD TO SAY THAT WE CARRIED THAT LEGACY FORWARD WITH THE 2025 VERSION. THIS THEME CELEBRATES THE CENTURY OF STUDENT LIFE, OUR SCHOOL SPIRIT, AND SHARED EXPERIENCES. A YEARBOOK IS MORE THAN JUST A COLLECTION OF PHOTOS... IT'S A COLLECTION OF STORIES. EACH ONE TELLS THE STORY OF ITS TIME AND SOME WITH FORMAL PORTRAITS WITH HANDWRITTEN NOTES, OTHERS FILLED WITH THE CANDIDS OF STUDENTS, AND COLORFUL PAGES BUT ALL WERE CREATED TO CAPTURE THE MOMENTS THAT MATTERED. TOGETHER THEY SHOW THE SLIGHT CHANGE BUT HOW IT HAS ALL STAYED THE SAME. THROUGHOUT EVERY STYLE, CLASS, AND COVER, THE HEART OF THE YEARBOOK HAS REMAINED. IT'S A PLACE TO REMEMBER, REFLECT, AND CONNECT. THIS YEAR, WE ARE ADDING A CHAPTER, OUR CHAPTER, TO THIS HUNDRED YEAR STORY.

Class President and Co-Editor in Chief

Dear Class of 2025,

I can't believe that our four years together are soon coming to an end. We have had the greatest four years we could have ever asked for. These years have truly gone by too fast. We've seen each other grow and become the people that we are today, we've lent a helping hand to peers when they needed it most, and we've relied on others when we ourselves needed it. This truly makes the class of 2025 great. The teamwork, comradery, and passion that we all exhibit has led us to great things. As Mr. O'Keefe says "Small things lead to big things." Every assignment, every test, every late night cram session, and every lesson has prepared us to do incredible things.

Class of 2025, we have made great memories in this final year together, whether it was beating Billerica on that cold rainy Thanksgiving morning, putting on some unbelievable performances, the loudest pep rally ever, fun dances like Hoco and the Halloween dance, and of course the hilarious puns every Monday. As we move forward to the next chapter of our lives, we can always come back to the class of 2025. Whether we are going to college, serving our country in the Armed Forces, or entering the workforce, we know that CHS has prepared us well for the real world. The Class of 2025 knows that we can always count on each other in the difficult years ahead, because we have built an everlasting family.

It has been an absolute pleasure and honor to serve as your Class President this year; I wouldn't have wanted to do it with any other class. I also want to thank the other Class Officers: Jess, Nate, and Pranav. You guys are the reason, the brains, and the brawn in the group. Thank you for putting up with my ideas, no matter how dumb or silly they may be. This has honestly been one of the best years I have ever had, and I owe it to you, Class of 2025! Thank you for allowing me to Drew Dis!

Wishing you all the best,
Drew DiStasi

Dear CHS Class of 2025,

We did it huh? Four years of our lives overlapping, building a community and memories together, now blowing away in the wind. Our time together has gone away in a flash, as it was only yesterday when we were Freshmen, sitting outside on The Plateau because of Covid; now we are Seniors, walking across a stage getting a diploma to highlight our achievements. We are all off to new and exciting places, to reach the goals we made as little kids. I can't believe how much we have changed and grown in these past years. Making the 2025 Yearbook has been an honor, and I am immensely grateful for the past 2 years I've been able to be Co-Editor in Chief for CHS's Yearbook Committee. From Christmas gift swaps to long Yearbook meetings in the computer lab, the bond this book has created for us is one I wouldn't trade for the world. I want to thank our Advisors, Mr. Cole and Mr. VB, who have supported our creative natures, and are going out with a bang, with their last yearbook together at CHS. I would also like to thank the Yearbook Committee Staff who have spent countless hours on the book, Drew DiStatsi, who has helped us get our word out, and Mrs. Marcy Mason, who has helped us find student's names and homerooms even when we had stacks of mix-ups.

Even though I've only been working on creating these books for the past four years, as a school, these books have filled our shelves with history for the past 100 years. I hope this book fits right in and makes us and those after us proud to be a Lion. We're the class that gets to end it off on the 100 year mark, so be proud, loud, and be filled with pride.

This place has helped craft us into the people we are and will become; thank you Class of 2025 for being the people you are, and I hope you flourish into what we all know you can become.

Stay Fascinating,
Your 2025 Co-Editor in Chief, Koliyanei "Lanei" Seng-Ty

A Message from our Principal

Congratulations on a successful high school career. Thank you for all of your hard work, your caring and all that your class did to make Chelmsford High School one the best high schools in the state. As you venture out into the next stage of your life, know that even though the world is big, you are an important part of it. All of you have a lot to offer. Your future is bright. I wish all of you the best of luck.

Letters From the Deans

To the Class of 2025, congratulations. Over the past four years at CHS you all have accomplished so much to be proud of. From classroom discoveries, stage performances, athletic achievements, and incredible school representation, you have been a pleasure to observe. Four years of growth has positioned you to be great students, employees, and most importantly, productive citizens. I wish you all nothing but the best and continued success in all that your future holds. Never forget, once a Lion always a Lion...and it's always a great day to be a Lion!

- Dean MacIsaac

Dear Seniors,
As you embark on this exciting new chapter of your lives, I want to take a moment to express my heartfelt gratitude. You were my first full graduating class, and it has been an incredible journey watching you grow and achieve your dreams.

Thank you for the memories, the laughter, and the lessons learned together. I have no doubt that each of you will leave a positive mark on the world. Good luck in all your future endeavors—chase your passions and believe in yourselves!

Wishing you all the best,
-Dean MacNeil

Congratulations to the class of 2025! Your high school journey has been filled with hard work, resilience, and growth. Each of you has faced unique challenges, celebrated victories, and created memories that will last a lifetime. Today, you celebrate the beginning of a new chapter, and you have proven to be ready to take on the world with knowledge, strength, and determination. As you journey through life and discover your path, always remember that it's never too late to learn and grow. Stay curious, be courageous, and never underestimate the power of your dreams. No matter where life takes you, carry the lessons and friendships from CHS with you. Best wishes for a bright future!

-Dean Mitza

Now We Are Six By A. A. Milne

When I was One,
I had just begun.
When I was Two,
I was nearly new.
When I was Three
I was hardly me.

When I was Four,
I was not much more.
When I was Five,
I was just alive.
But now I am Six,
I'm as clever as clever,
So I think I'll be six now for ever and ever.
