Dear George and Barbara,

I have thought of the Hildreth Family Reunion many times and how hospitable and generous both of you were. Every one was friendly and eager to exchange information of their connection.

Enclosed pages show my lineage back to Esdras Read and John Wright. Do you know who else is interested in these beginnings?

Resources: History of the Town of Westford, Hodgman; Westford Vital Records; New England Library of Genealogy and General History of Massachusetts, Hurd; Historic Homes and Places and Genealogical and Personal Memoirs, Cutter

Do you know of a source to find more about Lieut. Thomas⁶ Read, son of Samuel⁵ Read?

Anyone interested in Blodgett's? Trying to connect a Charles A. Blodgett, who was called Uncle Charlie by my Mother, Hattie. He must have been a great uncle, on the Wright side.

Parkhurst resources: Bedford V.R., Boxborough V.R., Brookline, N.H. V.R., Hist. of Town of Bedford, Brown, IGI, International Genealogical Index. The last is available at the Mormon Library in Nashua, N.H. also they have a copier for these microfiche.

I have not been to Wilton, N.H. Soon.

George, you showed me a book when I was at your home and Esdras Read's name was given. I neglected to get the title. Do you remember?

When looking for information re one family name I detour to others and thus am slow in completing a line. Actually there is no end regardless of the procedure.

Thanking you for your interest. When driving north on route 495 I see Hildreth Hills and know you must be looking forward to your new home.

Sincerely, *Zelda L. Moore*

Dear George and Barbara,

Have been to the libraries many times and returned with photo-copied pages for several lines and have been designating the information to the respective notebook and chart.

Re Parkhurst: Joseph is my earliest ancestor. Have looked ⁱⁿ many books and don't find any leads. Next is to go to Wilton and Concord, N. H. There are many Parkhurst, but no connection.'

Included pages about Read. Didn't find your Elizabeth Reade.

Thankyou for the pages from Jayhawk. Photo-copied pages from John Parkhurst, prepared by G. H. Parkhurst, several years ago but do not find any connection to my line. Was interesting reading.

The History of Westford has information re my Read line. Also verified with Vital Records. Was content with the information until I found the book, Thirty Dunstable Families by Ezra S. Stearns.

See enclosed page 61: That Thomas was not a son of Obadiah thus not a grandson of Esdras. Yet I have found at least four sources indicating Thomas was a son of Obadiah. Will check for more evidence at NEHGS Library in Boston.

My Woods line: Samuel, Nathaniel, Isaac, Solomom, Isaac, Isaac, Sumner, George Henry, Hattie, Zelda.

Reference: The Woods Family of Groton, Massachusetts by Henry Ernest Woods, 1910; Continuation of this history by Virginia Woods May; History of Dunstable, page 197.

The story of Charlie Parkhurst, the stage drive made me smile. I could imagine two Cummings sisters, possibly one being such a person.

My Mother spoke of two sisters, Almira (Elmira) b. 21 Feb 1833, and Amanda Jane b. 9 Dec 1835, daughters of Thomas and Lucinda Cummings, and sisters to Sara Melissa Cummings, who went to California during the Gold Rush. Communication stopped and Sara could not locate them when she was settling the estate of a brother.

Sara Melissa Cummings m. Sylvester Addison Parkhurst. They were grandparents to my Mother - Hattie S. Woods Fitch.

They went by ship around the Horn. Have been trying to get information about them from a professional genealogist in California.

There were nineteen children in this family and information about the family is in both of the two books about Cummings Families. What tragic experiences they had.

My next family is the Hawkes: Georges family. A woman in Florida is compiling data to bring the book up to date.

I will keep searching for the parents of Joseph Parkhurst.

Sincerely,

Zelda L. Moore

Dear Barbara and George -

How nice it was to meet
you, and find such delightful cousins!
I look forward to our next meeting.

What a surprise it was to
arrive home and receive the Adams
family data in the mail, followed
the next day by the Parkhurst History.
I appreciate having it so much, and
realize the compilation is the result of
many years of determined searching.
It's a great thing to have done, and
I thank you.
You asked for dates for my

Father, Robert, and I'm enclosing
a bit of Dutton data in case you
don't have it.

To have a fine Hildreth reunion.
I'm so pleased to learn of the
associations activities.

My flight home was uneventful,
via Philadelphia and then to Allentown.
In this hot weather, flying is a lifesaver.

Reports from the Duttons are
that Dr. Robert Dutton's operation and
recuperation are progressing and he
should be home this week. (Dr. Darling operated ^{on him})

My visit with you was much
too short. Your thoughtfulness and
kindness are wonderful.

Affectionately,
Kathryn

Dear Mrs. Bush,

This is in reply to your letter of August 7, 1984 to my wife, Barbara regarding Parkhurst genealogy.

Back in the early 1930's I compiled a Parkhurst genealogy which I carried with me during World War II and retyped but I have done little on it since. I do get letters, like yours, from time to time and try to be of assistance.

Having just published the 5th volume of the Hildreth genealogy in August, I hope to spend some more time on the Parkhursts. Incidentally, I am descended from Ebenezer³, brother of your Joseph³.

Much as I'd like to, I'm afraid that I can't help you. However you have data that I should like to add to my notes to make them that much more nearly complete. To that end I have enclosed several genealogical data sheets (made up for collecting Hildreth data but just as good for Parkhursts).

As you can see, I have little data on Abel⁶ and only knew of one child, Abel, Jr. I had noted that there were other children but I had no data on them. I gather that Abel, Jr. was a brother of your Augustus G. (What does the G stand for?) Any data you can add to the sheets will be greatly appreciated.

You mentioned Yvonne and Martha Parkhurst. Where do they fit into the scheme of things? Could I contact them for more data, if I had their addresses?

Sorry I couldn't help you but thank you for the information you supplied.

Sincerely,

George Adams Parkhurst

Dear Barbara.

I hope you don't mind my being informal!

The name Parkhurst caught my eye in the "Xanthee" as it always does - I, & 4 others that I know of are looking for any missing info. on the sheets inclosed in particular James & Betty - James Father M. my g.g. grandmather, Minerva J. after the death of her 1st husb. Minerva J. & G.N. Lee had several ch. their only son. Minerva Elizabeth M. William S. V. Parker, their eldest son Franklin Charles was my grandfather - the Bible belonged to this family & my 2nd cousin has the Bible, in it, it states that James Parkhurst was a step-son of the Lee children, also he appears on census records with them - so I take it that my g-g-g-mather married him.

If you should know any thing about this family, I would appreciate it & if you would be interested, I have a fairly complete
